In conformity thereto, I have the honor to submit herewith the thirteenth annual report of the transactions of this Department for the fiscal year ending September 30, 1908.

Very respectfully,

MAYNARD N. CLEMENT

State Commissioner of Excise

this amendment the excise tax collected May 1, 1903, was only for five-twelfths of one year, which explains the apparent decrease in revenue.

LOCAL OPTION STATUS OF TOWNS IN NEW YORK
STATE

The following summary statement of local option statistics covering all of the towns in the State from 1897 (in which year the first vote under the present law was had) to 1908, inclusive, is of interest. While it shows a fluctuation of the vote in close towns, the decrease of twenty-three in the number of full license towns; the increase of fifty-two in the number of no license towns; and the decrease of thirty-eight in the number of partial license towns in the State during that period, indicate the drift of public sentiment:

*By the provisions of chapter 144 of the Laws of 1908, the beginning of the certificate year was changed from May 1 to October 1, to correspond with the fiscal year of the State. Under this amendment the excise tax collected May 1, 1908, was for only five-twelfths of one year, which explains the apparent decrease in revenue.

†The search and seizure amendment of last year has increased the expenses of the legal bureau, but the improved conditions resulting from the enforcement of this provision fully warrant the increased expenditure.

THE EXCISE PROBLEM

No question that is involved in the scope of popular government, such as is enjoyed in this country, more clearly reveals to the painstaking student of public affairs the weakness and danger of that system arising from the indifference of a majority of the people than the excise question.

Good-intentioned reformers, seeing on all sides the distracting evils that result from excesses in the use of liquors, and abuses on the part of those short-sighted dealers who are governed by the greed of gain instead of good business judgment, have devoted much time and energy in dealing with the *effect* of excise abuses with but scant thought and attention to the *cause*, although it is clear that it is the part of wisdom to deal with the *cause*, and thereby, at least partially, correct what is wrong and hostile to good government in connection with the liquor business.

The State of Maine has, for more than fifty years, been unsuccessfully dealing with effects of excise abuses, without reaching the cause, and, as a result, she has, according to her own records, more illicit saloons per capita in her cities and populous centers than exist in New York under a license system. The following statistics, gathered during the past year from the court records, and official reports of Maine, fully warrant the foregoing assertion:

Portland had 182 shops, or 1 to every 269 people;

Augusta had 62, or 1 to every 170 people;

Gardiner had 1 to every 274 people;

Rockland had 1 to every 171 people; while

Bangor had 1 to every 100 people.

When the Maine statistics were gathered, there were 23,510 drinking places in the entire State of New York, or one to every 343 people.

In 1908 there were 23,451 drinking places in New York State, or one to every 364 people.

Statistics show that the ratio of saloons to population has steadily but slowly decreased under the operation of the Liquor Tax Law, viz., from one drinking place to every 297 people in 1897 to one drinking place to every 364 people in 1908.

It should be noted from the above records that the number of illicit and unlicensed shops engaged in the liquor business under a so-called system of prohibition in the above named cities in Maine average more than one unlawful place to every 197 people, or almost double the number of places holding liquor tax certificates in New York under the law. It demonstrates that only sham prohibition is possible, unless there be *Law Enforcement*.

From the above statistics, it will be readily seen that the mandatory prohibition legislation of Maine, has, at least in her cities, utterly failed to reach the cause of excise abuses, and such has been the experience of other States as well as of smaller political divisions thereof.

The cause of excise abuses is to be found in the moral sense of the people at large — not in the moral sense of extremists on either side, but in the moral sense of the body politic. Arbitrary legislation does not create or mould the moral sense of the people. Moral sense of the body politic can be cultivated and stimulated by civic and religious education, and by that alone.

Practical experience in this Department during the past twelve years conclusively demonstrates that the Liquor Tax Law of this State affords an ample remedy for every excise abuse, if the people themselves will faithfully discharge the duties imposed upon them.

It is altogether too much the habit of the people to regard a law as the final disposition of its subject matter. It is not surprising that cranks and faddists should adopt this notion, but that sensible men — men of character and good sense — should act upon it, passes comprehension. Of course, they know better. They know that a statute cannot execute its own behests, and that a law is effective only when thoroughly and ably administered and honestly enforced.

When the people are satisfied with the enactment of laws and are careless about the enforcement, the prosecuting officers become instantly aware of the fact. This condition neither sharpens their scent of crime, nor enhances their zeal in prosecuting the offender.

If reformers who have not been elected by the people as members of the lawmaking body would devote the same amount of time and energy in their respective home localities — that is, those of

them who are actual residents of the State — to reforming and improving the grand and trial jury lists of such localities so that only “good men and true” would in the future be selected for jury duty in excise and other cases, a much greater degree of excise reform would be accomplished than has resulted or is likely to result from their efforts to impress their oftentimes impractical views on members of the Legislature who have been elected by the people to represent and speak for them in the lawmaking body.

When proper jury lists have been secured, the campaign of education might be advantageously continued along the line of securing the nomination and election of such police officials and prosecuting officers as will have an adequate conception of the duties imposed upon them by the Liquor Tax Law. If public sentiment needs to be awakened, let them awaken the public sentiment of their own localities to a realizing sense that there is a moral obligation resting on every citizen to assist in the enforcement of the Liquor Tax Law in his locality, and that the law itself provides a means by which any citizen may start the wheels of the law in motion.

To begin at home and lay the foundation for reform might not be so spectacular, but it would work some real benefit. It would be intensely practical.

PROHIBITION — LOCAL OPTION — LAW ENFORCEMENT

According to the standard dictionaries, the definition of “prohibit” is: “To hinder; debar; prevent; preclude.” Certain mercurial reformers seem to regard the declaration for prohibition, which is the mere initial step, as real prohibition. Such minds fail to discriminate between the declaration for a thing and the thing itself. There is precisely as much chance of contracting gout from reading a hotel bill of fare as there is of having actual prohibition from a mere declaration for it, whether the declaration be by the Legislature in a statute, or by vote of the electors under local option in a political division of the State. There can be no prohibition except as the result of *Enforcement of Law*.

Nothing else but enforced prohibition will "hinder, debar, prevent, and preclude" the traffic in liquors. It follows logically that conditions essential to *Law Enforcement* constitute the only foundation on which real prohibition in the State or in a locality, under local option, can be permanently built. Without this foundation declared prohibition has ever been as a house on the sands, and is buffeted about by every shifting wind of hysteria and emotion.

The fluctuations shown by the following historical facts demonstrate the folly of attempting any real or permanent excise reforms except on the solid foundation of *Law Enforcement*.

Massachusetts, having shifted from "license" to unenforced prohibition, and back to "license" again three times, from 1852 to 1874, now satisfactorily operates under "high license."

Rhode Island has been continuously "license" for the past twenty years, after three experiments at unenforced prohibition between 1852 and 1889.

Michigan has been a license state for the past thirty-three years, after two unsatisfactory experiments with prohibition between 1855 and 1876.

New York had nominal prohibition in 1855, under an act subsequently declared unconstitutional by the courts.

Connecticut, nominal prohibition in 1854; "license" since 1872.

Delaware, nominal prohibition in 1855; "license" since 1857.

Illinois, nominal prohibition in 1851; "license" since 1853.

Indiana, nominal prohibition in 1855; "license" since 1858.

Iowa, nominal prohibition in 1884; "license" since 1894.

Nebraska, nominal prohibition in 1855; "license" since 1858.

New Hampshire, nominal prohibition in 1855; "license" since 1903.

South Dakota, nominal prohibition in 1890; "license" since 1896.

Vermont, nominal prohibition in 1852; "license" since 1903.

Eighty-seven (87) changes have been made in the local option status of the towns in this State since 1896, either from no license to license, or from license to no license, with the net result of an

increase of three in license towns, as is shown by the following schedules:

The unwisdom of appeals to the emotions and not to the intellect in efforts to extend prohibition or local option, which mean the same, only one is direct and the other indirect, is abundantly shown by the above statistics in other States and in towns in this State. Neither does there seem any reasonable ground for hope that prohibition, which has been recently attempted in other States by means of local option, will produce any more satisfactory results, or improve on the shilly-shally practice of declaring for first one extreme and then the other, thus alternating between excise evils at a minimum under substantially enforced high license and restriction, and demoralization at the maximum under unenforced prohibition.

Prohibition may be both desirable and possible, but, if the experience of the past one hundred years is of any value, it teaches that the only pathway that leads to it is *Law Enforcement*.

Declared prohibition is not prohibition in fact any more than a declaration by an alien of his intention to become a citizen is citizenship in fact. It is imperative that something should be done after filing the declaration, else the person filing it never can become a citizen; and the doing of certain things after a declaration for prohibition is absolutely necessary, or there will be no prohibition.

There has been recently much organized and persistent agitation in this State for the extension of prohibition to cities by means of local option. However much one may be in sympathy with a movement of this character, a careful and conscientious study of excise conditions existing under the Liquor Tax Law

will lead every open and reasonable man to the inevitable conclusion that local option in cities under present conditions would be untimely, and would certainly aggravate rather than improve excise abuses.

An examination of the correspondence from cities to this Department, on file in the complaint bureau of the Department, as well as of the written and spoken declarations of citizens in cities who are making a special study of the Excise Problem, discloses that in many, if not in most, of our cities cooperation with the police and other local prosecuting officers for the purpose of *Law Enforcement* is worse than useless and a waste of time, because of the indifference or opposition of such local officers to a reasonable enforcement of the Liquor Tax Law.

Through all of such complaint correspondence in regard to excise violations will be found the firmly fixed conviction that practically the only relief from excise abuses in cities must come from the activities of the Department itself. Advocates of excise reform by means of the extension of local option to cities seem to have overlooked the important fact that the first result of a prohibition vote in any city would be to eliminate the State Excise Department as a factor of *Law Enforcement* in such city. Where the work of the State Commissioner of Excise has been successful in cities, it has been made effective by the cancellation of liquor tax certificates, and by the prosecution of excise bonds forfeited because of violations. In a territory where nominal prohibition existed there would be no certificates to cancel, no bond penalties to prosecute, and, consequently, no successful appeal could be made to the Department.

Where local officers are now supine and inactive, and refuse to cooperate with the State or with citizens of the locality which they represent, they would become, if possible, more indifferent, because there would be practically no chance of an exposure of their neglect of duty by a successful prosecution from without the city upon evidence which they themselves might have in their possession, or should have acquired in the performance of their duties.

No harm can come to any community greater than that from the demoralizing examples of open and defiant disobedience to

law, because our citizens of to-morrow, to whom we must look for good government, are our boys and young men of to-day, and they learn far more by example than by precept.

Unenforced prohibition is a sham and false pretense. Hypocrisy on the part of the public representing several individuals is no more to be commended than it is in the case of a single individual.

The basis of excise reform is *Law Enforcement*. Respect for law and obedience to law are founded on the moral sentiment of the community. That is the true field of labor where the successful work must be done. The work cannot be done at Albany, but Albany will respond fully and promptly by statutory reforms to meet the intelligent demands resulting from moral growth on the part of a majority of our people. That means bona fide excise reform because it is a guarantee of *Law Enforcement*, which is not possible in any other way under a system of self-government.

COMPLAINTS

The policy of the Department is to give to each complaint careful consideration and attention. So many are received, however, that it has been a physical impossibility for the Department to investigate each particular violation reported. Those considered most flagrant are given preference and taken up first in the order of their receipt. Numerous complaints of unlicensed traffic are made from both license and no license towns, and many of the complaints are of such a nature that it is at once plain that an investigation by our representatives would be futile. In this connection we refer to complaints of alleged violations by persons in rural and sparsely settled districts trafficking in liquor from private dwelling-houses and with their neighbors and friends. Such complaints generally contain a request that this Department send some of its representatives to "catch" the alleged violators. Many investigations of this kind have been tried, and in almost every instance there has been a failure to get any evidence. Strangers are generally suspected at the first approach; for a person who is committing a crime is naturally suspicious and on his guard. Complaints are often made alleging flagrant violations of the Liquor Tax Law in a certain locality,

which complaints we find, after a careful and thorough investigation and inquiry by our special agents, are but hearsay and supposition. For example, one complainant says "men are seen drunk on the streets. I am sure that is good evidence." Others complain of the conditions in their community and demand that immediate assistance be given them, saying that they have heard about the good which has been done in a nearby or neighboring county, and asking why the Department cannot do the same for them.

A great many complaints are anonymous or signed with fictitious names, and do not contain definite information sufficient to enable the taking of any action whatever. Experience has taught that where special agents have to depend on obtaining their information by inquiry about the neighborhood in which the alleged violations occur, those complained of are often "notified" before the special agents can reach the premises. In such instances the complainant not infrequently criticizes the agent for having deliberately given away the case.

The Department has sometimes been prevailed upon by petition, signed by a goodly number of the best citizens in a county, to make investigations, which could be more successfully made by the citizens through their local officers, thereby giving the Department more time and opportunity for the use of its energies in other fields.

All of which goes to emphasize the previous statements made in this and other reports in regard to the necessity of educating the citizens of every community as to the duties imposed upon them and their local police and prosecuting officials. When the people at large realize that a violation of the Liquor Tax Law is in the same category with any other crime; that they themselves hold the key to the situation in their own hands, and can solve the problem by the selection of public officers and jurors who will enforce the law, then the excise problem will be greatly simplified.

SPECIAL AGENTS

The special agents of this Department are neither police officers nor detectives, nor have they, under the statute, any powers of arrest. Section 10 of the Liquor Tax Law empowers the State Commissioner of Excise to appoint not more than sixty special

agents, who "shall be deemed the confidential agents of the state commissioner, and shall, under the direction of the commissioner, and as required by him, investigate all matters relating to the collection of liquor taxes and penalties under this act and in relation to the compliance with law by persons engaged in the traffic in liquors." In empowering the State Commissioner of Excise to employ special agents, it was not the intention of the Legislature to create a State constabulary in excise matters to investigate every suspected violation in the entire State. The language and meaning of section 37 of the law, specifying to the contrary, is entirely too clear to admit of such an interpretation.

With this small force of men — not exceeding in number the police force of most of the counties of the State, or the police force of some of the smaller cities — the State Commissioner of Excise is charged by the law to supervise the assessment, collection and distribution of excise taxes, which now amount to over nineteen millions of dollars annually. In the performance of this duty, the force of special agents is called upon to enumerate hamlets, villages and cities, in order to establish a proper excise rate, on account of changes in population; to visit the many certificated places for the purpose of ascertaining if the proper tax has been paid and the liquor tax certificate posted as required by law; to endeavor to detect those who seek to evade the payment of the tax assessed, and to prevent such dealers as do not pay the tax from engaging in criminal and unfair competition against law-abiding persons who pay the tax assessed by law and hold a proper liquor tax certificate; to investigate a large number of places from which liquor tax certificates are transferred, or surrendered for rebate, and to discover whether the certificate holder has actually ceased to traffic in liquors thereunder; to appear as witnesses in civil actions prosecuted by the Commissioner, numbering nearly seven hundred in the past year.

This body of men is appointed from civil service lists. As now constituted, many of them are men of mature years, who were appointed in the early days of the Department's existence. Most of them are fitted by natural aptitude and broad experience for the widely divergent lines of departmental work. Their assignments are often difficult, distasteful and dangerous, but the

best testimony of their sincerity of purpose and their capability in dealing with such situations is the remarkable success of the Department in the prosecution and conduct of its legal business, practically all of which is based upon the evidence obtained by the special agents.

The following schedule showing the list of police officers in the State, considered in connection with section 37 of the law — which provides that every police officer, having notice or knowledge of any violation of the law, shall immediately notify the district attorney of the county by a sworn statement of the facts, for prosecution forthwith — indicates the means by which the Legislature intended that the statute should be enforced and points out clearly to the citizens of each locality how they can secure better *Law Enforcement*:

THE LEGAL BUREAU

The efforts of the Department for better enforcement of the Liquor Tax Law are necessarily made through the legal and special agent bureaus of the Department. The work of these bureaus is important and has steadily increased since the organization of the Department in 1896 to the present time. During the fiscal year from October 1, 1896, to September 30, 1897, three regularly employed attorneys were sufficient to perform the legal work, and during that period the Department participated in only one hundred and ninety-two (192) actions and proceedings. Over one-quarter of this number were proceedings brought by citizens authorized under the statute to revoke liquor tax certificates. At present, the Department has eleven regularly employed attorneys, and it is constantly required, in order to keep pace with its law work, to avail itself of the temporary services of a number of additional attorneys.

During the past fiscal year the State Commissioner of Excise has appeared in six hundred and eighty-one (681) actions and proceedings, which number is over one hundred and fifty (150) more than in any similar preceding period. These actions and proceedings were as follows:

Three hundred and twenty-nine (329) actions upon bonds filed by applicants for liquor tax certificates have been commenced, and \$320,582.13 has been collected from that source of litigation. In this connection it might be stated that there are approximately thirty thousand certificates issued during the year. The amount collected in actions brought upon bonds represents an average of \$11 on each bond, which fact is causing the surety companies and others engaged in writing excise bonds to exercise greater diligence and more care in determining the character of the persons whose acts they underwrite.

Two hundred and twelve (212) proceedings have been brought by the State Commissioner of Excise to revoke liquor tax certificates and two hundred and twenty-eight (228) certificates have been revoked during the past year. The discrepancy between the number of proceedings that have been begun and the number of certificates that have been revoked is accounted for by the fact that, formerly, the liquor tax certificate year began May first,

while the fiscal year began October first, and, therefore, there were a number of revocation proceedings pending on October 1, 1907. The costs recovered in these proceedings by the State Commissioner of Excise during the last fiscal year amounted to \$3,464.79. The grounds upon which the proceedings were instituted were varied: Sunday sales; sales during prohibited hours; sales to minors; that the certificate holder permitted or suffered the premises to become disorderly, or permitted or suffered gambling thereon; false statements in the application for the certificate; that the applicant had not the necessary consents of dwelling-house owners within two hundred feet.

Thirty (30) similar proceedings have been commenced by taxpayers authorized under the statute so to do. In many of them the State Commissioner of Excise has appeared by counsel upon the trial and participated therein, while in nearly all the legal bureau of the Department has assisted by advice and in the preparation of briefs, with the citations of authority.

Fourteen (14) penalty actions have been instituted under the provisions of section 42 of the Liquor Tax Law, and the State Commissioner of Excise has recovered therein \$1,401.06, the penalty action being one of the remedies which may be invoked by the Commissioner against a person, not holding a liquor tax certificate, who has violated the provisions of the Liquor Tax Law.

Thirteen (13) injunction proceedings have been begun under the provisions of section 29 of the Liquor Tax Law, and a like number of injunctions granted prohibiting the traffic in liquor contrary to the provisions of the law. The last two mentioned remedies are the means provided by the statute to aid the State Commissioner of Excise in enforcing the provisions of the act in no license towns, exclusive of the search and seizure proceeding hereinafter mentioned.

Eleven (11) mandamus proceedings have been brought by interested citizens to determine the validity of local option votes taken under the provisions of section 16 of the Liquor Tax Law. By statute the State Commissioner of Excise is a necessary party respondent, and the legal bureau of the Department has been actively engaged in these proceedings, endeavoring to sustain the will of the electors of the towns as expressed by ballot, and not

to allow the will of the majority to be thwarted by some technical omission or act in the submission of the local option questions.

Five (5) mandamus proceedings have been instituted against the State Commissioner of Excise to compel the payment of rebate upon surrendered liquor tax certificates.

Twenty-five (25) certiorari proceedings have been instituted under subdivision one of section 28 of the Liquor Tax Law to compel the issuance of liquor tax certificates, the majority of these cases arising from the change in the commencement of the certificate year from May 1 to October 1, and the endeavor of the State Commissioner of Excise to have the vote of the electors of the towns take effect on May first, according to the intention of the voters.

Twenty-eight (28) search and seizure actions have been begun under the provisions of section 31-c of the Liquor Tax Law, this section being one of the important amendments passed at the session of the Legislature of 1908. This amendment devolved upon the legal bureau of the Department a considerable amount of work, as forms had to be prepared, practice formulated and precedents established. In these actions, which were distributed throughout twelve different counties of the State, judgments of forfeiture were granted in twenty instances and the liquors destroyed. Four cases are pending. Of the four remaining cases, no liquors were found in two instances and motions to dismiss the complaints were granted in the others. However, new proceedings have been commenced against the same respondents in the latter two cases, and the premises have been again searched and liquors seized.

Fourteen (14) cases are grouped under the head of miscellaneous proceedings, which include among others, actions to foreclose mortgages, equitable actions to set aside local option votes, and bankruptcy proceedings where the State Commissioner of Excise is a creditor by reason of a judgment heretofore obtained.

Tables showing more fully and in detail the legal work of the Department in the various counties of the State will be found annexed to this report.

From a financial point the most remunerative litigation in which the Department is engaged is that in actions upon bonds

given by liquor tax certificate holders conditioned upon the faithful observance of the provisions of the Liquor Tax Law. The revenue produced during the last fiscal year from this litigation exceeds the cost of maintenance of the legal bureau of the Department by over \$250,000, the expenses of the legal bureau being \$71,577.25.

Soon after the Liquor Tax Law was enacted it was found advisable to establish a branch of the legal bureau in New York City in connection with the office of the Special Deputy Commissioner of Excise for the Boroughs of Manhattan and The Bronx. This plan has been carried out with success. In this branch there are regularly employed three attorneys and a number of clerks, who, under the direction of the State Commissioner of Excise, have charge of the legal business of the Department in Greater New York, and assist in the prosecution of criminal actions against those charged with violations of the Liquor Tax Law, at the request or by courtesy of the district attorney responsible for the prosecution of the cases.

AMENDMENTS OF 1908

The most important changes in the practice and administration of the Liquor Tax Law in the past fiscal year have been caused by the amendment providing for the search for and seizure of liquors, and the amendment providing that, for the period of one year from the date of the final order revoking a liquor tax certificate, or of the conviction of the liquor tax certificate holder, upon the ground that the premises had been permitted to become disorderly or that gambling had been suffered or permitted therein, no new certificate shall be issued for such premises.

The amendment providing for the search for and seizure of liquors kept for unlawful sale or distribution became operative July 1, 1908, and has involved the Department in a number of litigations and entailed a large amount of work, as the only previous provision of this character in the law of New York State was contained in a former prohibitory act, which was declared unconstitutional and which, therefore, could not be accepted as a precedent. Many novel questions have arisen and are now pending in court, the only guide for the determination of which being the decisions of sister states under similar statutes. While the enactment of this amendment is of recent date, yet its operation so far has shown it to be of a most beneficial character, and a great aid to the Department, the authorities, and citizens of the various localities in the enforcement of the provisions of the Liquor Tax Law, especially in no license towns and against uncertificated traffic.

The amendment providing for the issuance of a search warrant where there are reasonable grounds to believe that liquors are kept for unlawful sale or distribution enables those engaged in enforcing the law, in a case where liquors have been seized, to establish in court a stronger case than would have been possible without the production of such liquors.

The first proceeding under this section was instituted July 28, 1908, and from then to the end of the fiscal year twenty-eight (28) proceedings were begun, four (4) of which are now pending; twenty (20) judgments of forfeiture have been granted, and the liquors which were seized destroyed in pursuance of such

order. In two (2) other cases motions were made to dismiss the complaint, which were granted, and the liquors returned. In each of the last two cases subsequent proceedings have been commenced and the liquors seized. The early cases may be taken as a criterion of the beneficial results to follow the enactment of the amendment. Furthermore, we are satisfied, and have many communications indicating, that this provision of the Liquor Tax Law has acted as a deterrent to a great extent, and that a considerable amount of unlicensed traffic has been abandoned by reason of the knowledge of actions which may be taken under this section.

This provision of the Liquor Tax Law went into effect July 1, 1908, leaving but three months to be included in this report prior to October 1, and all evidence to be used in these proceedings necessarily had to be obtained after July 1. Nevertheless, warrants to search premises were issued and executed during this period and large quantities of liquors seized, a detailed statement of which appears in the proper table.

The amendment to section 33 of the Liquor Tax Law, providing that all violations committed by a person on any one day constitute but one crime, and that all such violations may be proved under one charge, enables the prosecutor to show actual conditions where the law is being flagrantly and persistently violated.

The other beneficial amendment and one which has done more than any other provision of the Liquor Tax Law to divorce the social evil from the traffic in liquor is that which prohibits the issuance of a liquor tax certificate for any premises where the previous certificate has been revoked within one year upon the grounds that the premises were permitted to become disorderly, or that gambling was suffered or permitted therein. Heretofore, the earnest efforts of the Department and of citizens to abolish the traffic in liquor at such premises have been, in many instances, unsuccessful, by reason of the fact that if one certificate was revoked, another would be almost immediately taken out in the name of another person, and it was practically impossible to prove any connection between the two certificate holders. An action upon the bond failed to attain the beneficial results desired,

because of the fact that usually the certificate holder was a bartender, or some one who in reality had very little or no interest in the place, and was financially irresponsible, so that a suit upon the bond punished for the most part only the sureties thereon. The law now prohibits the issuance of a new liquor tax certificate for such premises for a period of one year, which is a punishment upon those who are directly and vitally interested in such traffic. It insures more care and caution upon the part of the landlord in the selection of his tenants. Where the premises are occupied by the owner, greater care is exercised on his part; for usually such premises are suitable only for the traffic in liquors, and to deprive them of a certificate for the period mentioned causes a cessation of traffic, which proves a serious financial loss, and diminishes the patronage of the place. The same amendment applies to premises where gambling is suffered or permitted to be carried on, and in relation thereto has worked the same beneficial results.

Another important amendment of the Liquor Tax Law affecting the work of the Department more than the operation of the law is that by which the beginning of the liquor tax certificate year is changed from May 1 to October 1, making it coincide with the State fiscal year. Formerly, the Department prepared two sets of tables, one covering the certificate year, and the other the fiscal year, often confused by many persons, and giving rise to misunderstandings and misconstructions. Then again, many summer resorts discontinued business for the season during the month of September, surrendering their liquor tax certificates for rebate either on September 1, or October 1, and it was necessary to investigate separately all such surrendered certificates to ascertain if traffic in liquor at the premises specified had been actually discontinued, all of which was expensive and occupied much of the time of the special agent force. The certificates now expire by their own limitation on September 30, and consequently, the number of surrenders has greatly decreased and the work of surrender investigations is correspondingly reduced. This change has proved very beneficial to all branches of the service.

Many of the important amendments made to the Liquor

Tax Law in previous years by the Legislature were passed near the end of the session, leaving but a few days between their enactment and the beginning of the certificate year. Accordingly, many new forms had to be prepared to comply with the amendments, and the work of the issuance of certificates was greatly delayed and hindered; while now, the certificate year beginning October 1, ample time is given, not only to the Department to prepare proper forms and instructions for certificate-issuing officers, but also to applicants in order that they may have their application statements in proper form. Bonding companies also are enabled to exercise greater care in the selection of risks, thus insuring a more desirable and better class of certificate holders.

The amendment to clause "f" of section 31 of the Liquor Tax Law, prohibiting certificate holders from permitting the persons described in section 30 to remain in barrooms, is generally approved, and has contributed much toward the improvement of undesirable conditions.

The amendment to section 18 of the Liquor Tax Law, increasing the qualifications of personal sureties upon liquor tax bonds, has secured a much better class of sureties, and the Department does not anticipate the difficulty in enforcing judgments obtained against such sureties that it has experienced in the past. A previous custom somewhat prevalent, which is now made illegal, was that of three liquor dealers combining, signing one another's bonds, which resulted in the approval by certificate-issuing officers of undesirable excise bonds.

The other amendment to this section making the sureties on the bond liable for false statements has already begun to show its force, and will, without doubt, be of great benefit in decreasing the number of cases where applicants, either through carelessness or malicious intent, make false statements in their application papers to obtain liquor tax certificates. The full effect of this provision cannot now be measured. We must await the determination of actions brought under it, and observe the beneficial effect upon the certificate holder.

The amendment to section 28 of the Liquor Tax Law giving the County Court as well as the Supreme Court jurisdiction to hear and determine revocation proceedings has been of consider-

able value. The Department has brought a number of revocation proceedings in County Court, and thus not only has avoided the overcrowded conditions of the Supreme Court, but has secured a speedier determination of the proceedings and found that where the proceedings have been brought in the County Court, the local officials are earnest in their efforts to gain respect for the statute as well as observance of it.

The other amendments to the Liquor Tax Law passed at the session of the Legislature of 1908, while each of itself is of value and has been shown to be an aid in the enforcement of the law and in the operation of the Department, need not be individually discussed, as they have, in effect, only rounded out and established a uniformity in the general scope of the statute.

FURTHER AMENDMENTS CONSIDERED

Several plans looking to the decrease in the number of liquor places in this State have been suggested, each of which should receive careful examination.

First.—One of these is the arbitrary reduction of the number of liquor tax certificates issued in the ratio of one certificate to a certain number of population to be fixed by statute.

This scheme necessitates that the certificate-issuing officer be invested with the discretionary power to say who shall and who shall not receive a certificate, where the applications presented exceed the maximum number allowed by law. This would, in effect, restore the most obnoxious provision of the Excise Law of 1892, which gave to boards of excise in the cities and towns of the State, the power to grant or refuse any license, for which application might be made, on the ground of the "good or bad moral character of the applicant." The decision of the board of excise was final.

In cities, boards of excise were appointed by the mayor, who represented the dominant political party. The discretion exercised under this system was one of the most tremendous forces in politics until its repeal by the present Liquor Tax Law, and it was employed for the most part with brutal disregard of conscience, right or decency. The flagrant abuse of this discretionary

power in many instances caused the greatest excise scandals that have ever existed.

The determination of the question of moral character too often depended upon the political affiliations and activities of the applicant and the amount of his financial contributions to "the committee." If these were satisfactory, the applicant's moral character was approved, he received his license, and was at liberty to run his brothel saloon, with its stalls and curtained-off compartments, day and night, including Sundays, secure from molestation under the beneficent system of protection, which depended on the one word "discretion" for its horrible efficiency.

The unutterable shame and disgust for the brothel saloons, fostered and protected by "discretion," seem to have been forgotten because of the hysteria which has been occasioned by what has been said and written in exaggeration of the diminished form of the disorderly evil which exists in the so-called Raines Law hotels and also in other places, bad as is the truth concerning them.

The so-called Raines Law hotels should be called by their right name,— "houses of shame." They are permitted in certain localities in violation of the Raines Law because of the indifference of the people and their neglect in the discharge of that plain duty of citizenship, which is to select as their local officers and servants competent men who will faithfully perform their sworn duty in respect to the *Enforcement of the Law*.

There seems to be no good or sufficient reason for halting the present advance toward excise reform and turning backward again to the discredited system of "discretion," which was tried in this State prior to 1896, and found wanting in every particular.

In this connection, it is well to consider the experience of other states. In Massachusetts, the number of saloons is limited to one for each 1,000 of population. Careful inquiry from reliable sources in one of her large cities discloses the fact that a widespread and generally accepted understanding exists among the people that, during a recent mayoralty campaign, the brewing interests entered into a combination. They raised a common fund, from which was contributed to each political committee or candidate, practically the entire election expenses of each party,

in accordance with an agreement, expressed or implied, that a list of the legal number of prospective dealers would be submitted by the liquor interests, which list would be accepted and adopted by the proper officers of the successful party in the election; and that, in the discretion of such issuing officers, no license would be granted to any person or for any place not contained in the political list furnished.

Until the repeal in 1896 of the discretionary provision of the law of 1892, the saloon was not only a potent but a dangerous political influence, which disappeared entirely with the enactment of the Liquor Tax Law. It is difficult to comprehend how the discretionary feature can be revived without the abuses which experience has so clearly demonstrated to be an inseparable part of that scheme.

Second.—Another plan has been suggested to reduce gradually the number of liquor tax certificates until it does not exceed the ratio of one for each 500 of population. This scheme contemplates that no certificate shall be issued for any premises where a certificate was not lawfully held on January 1, 1909; and that no certificate shall be issued for premises where such a certificate was lawfully held on that date, if a certain number of certificates to be fixed by law shall be subsequently canceled or forfeited on account of violations of the Liquor Tax Law at said premises committed after the enactment and approval of such an amendment.

It seems certain that an amendment which would eventually reduce the number of licensed places to the plane of wholesome and lawful competition among dealers, where all those permitted to engage in the traffic could be assured of a reasonable profit without violating the law by means of sales at unauthorized times or to unauthorized persons, would merit the approval of intelligent men in the liquor business as well as all fair-minded citizens. Such an amendment should also discriminate against the worse places in favor of the better places.

It would then appeal to those citizens who desire to see a steady permanent improvement in excise conditions along rational lines, not extending, on the one hand, in the direction of the desires of short-sighted dealers, or, on the other hand, in the direction of the

demands of fanatical extremists — the former being chronic violators of the law, while the latter include those self-satisfied individuals who, without any commission from their fellows, set themselves up as the self-constituted agents for the correction of all ills, real and imaginary, of the body politic. Such an amendment might not satisfy the schemes of organized and paid agitators, who adopt and follow reform as a business, which yields them a better livelihood than they have been able to secure in other fields of human endeavor, but it would improve the excise situation in a marked degree.

If an amendment should be enacted prohibiting the issuance of liquor tax certificates to dealers at new places, provision should be made therein to meet the needs of the increasing population of the State so that a liquor tax certificate might be issued to a bona fide hotel, subsequently constructed in a newly built-up section, in response to a public demand, but this privilege should be safeguarded by requiring notice of such an application to be given to the mayor and the chief of police of the city, to the State Commissioner of Excise, and to the public, generally, by requiring the publication of the notice in a newspaper circulated in the locality. It would also seem a wise exercise of the police power on the part of the State to provide that after a certain number of civil prosecutions or convictions for violations, the place should be closed. Such a regulation would avoid an amendment so sweeping in its provisions as the one under discussion being used for the gratification of personal spite, or improperly by a competitor in a case of technical violations or offenses committed not by the certificate holder, but by some one in his employ. It would tend not only to reduce the number of places, but to discriminate clearly against the least desirable ones where violations are most flagrant.

The fact should not be overlooked that many complaints are made not in good faith, but from improper motives or the desire of a dealer to embarrass or eliminate a competitor.

Competition

An examination of the contributing causes of the lawlessness and demoralization in the retail liquor business — too often the

rule rather than the exception — will be of interest and may prove profitable in any effort to better excise conditions, if intelligently considered and correctly analyzed.

A casual examination of retail trade conditions will suffice to confirm the impression that many liquor tax certificate holders are without any financial responsibility whatever, and are of a low type, morally and intellectually. This is one of the greatest obstacles to be overcome in any proper supervision of the traffic. Obedience to the law on the part of all retail liquor dealers would eliminate the most serious problems which confront both sides of the liquor controversy.

A study of this phase of the problem demonstrates that the liquor business is unique in this particular, viz., the character, or, rather, the lack of it, found in a certain class of persons engaged therein. While it is practically impossible for a person without credit or reputation to engage in other lines of business, it seems comparatively easy for such a person to raise the money for the excise tax, and to become the nominal proprietor at least of a saloon. It is this very undesirable type of the trade that causes the greatest damage to the peace and good order of the community, and by its lawless and high-handed practices, jeopardizes the interests of the substantial men in the business. The hostility to the trade as a whole, and the indiscriminate opposition to the law-abiding men in the business are very largely caused by the recklessness of this class.

Opposition to the traffic is based upon an adverse sentiment created by abuses in the trade itself. Under proper conditions there would be comparatively little opposition to the business if lawfully conducted. In other words, the liquor interests are manufacturing the ammunition for those agitators of extreme views who are working for the destruction of the business rather than for a correction of its abuses.

The decadence or decrease in the prohibition vote in this State during the last eight years indicates the lack of popular support of prohibition as a party movement; but the strength and insistence of the constant demand for greater restrictions and more perfect *Enforcement of Law* show that the suicidal policy of irresponsible dealers is indirectly bringing about that which their

prohibition adversaries are unable to accomplish as a direct issue. Dealers of this class seem unable to comprehend that the liquor problem has become prominent as a public question because of their own lawless acts, and that many fair-minded men, who are not opposed to a lawfully and decently conducted liquor business, will not countenance their illegal practices. While voluntary obedience to law is the rule in other lines of trade, it seems too often to be the exception in the liquor business.

It is the inordinate competition between brewers which has brought into the liquor trade this undesirable type of liquor tax certificate holders, and abnormally increased the number of places for the distribution of the products of their respective breweries to a point greatly in excess of all public demands. The investigations and prosecutions of this Department conclusively show that the nominal proprietors of the most undesirable of certificated premises have not a cent invested in the business, but that the brewer is the real party in interest.

Under such circumstances the interest of the certificate holder is limited to the amount of the profits, since he has nothing to lose. It follows naturally that he is willing to take any risk to increase the receipts of the business, without regard to law. This feature of the trade is made possible by abusing the provisions of section 25 of the law, which provides for the payment of rebates on surrendered liquor tax certificates, and sections 26 and 27, which provide for the transfer of a certificate from one person to another or from one place to another.

Sections 26 and 27 are unnecessary and serve no good purpose, as new applications and bonds are required in all cases of transfers. The repeal of these three sections, or the repeal of sections 26 and 27 and the modification of section 25, would render impossible the sudden transfer of a certificate from one undesirable person to another of the same class, and because of the loss of rebate involved, discourage the practice among brewers of putting unknown or unfit men in charge of their premises.

The Number of Licensed Places

I desire to give added emphasis to the views expressed in previous reports of this Department to the effect that there are too

many persons engaged in the traffic in liquors, not only from the standpoint of good order, but from the point of interest of the men in the liquor business.

It is worse than useless for far-sighted liquor dealers and brewers to cooperate with public spirited citizens to promote legislative reforms in our excise laws in respect to the least important defects, while the causes of the most serious evils are ignored. It would be as rational to attempt the improvement of the dangerous entrance to a harbor by increasing the size or number of boats which must pass through instead of removing the rocks. The rock that is wrecking the business of many liquor dealers, who would prefer to be regular and law-abiding, is an unhealthful degree of competition. This not unnaturally results in illegal sales, because there are more licensed places than the lawful demand for liquors as a beverage will support.

A year ago I took occasion to say in the Department's report (the twelfth) that "some of the best cooperation for *Law Enforcement* in excise matters that has been received during the last year has come from the most intelligent and respectable element engaged in the traffic in liquors." Increased cooperation during the past year has resulted in a marked reform in excise conditions. Such improvement could not have occurred without this cooperation. The result justifies the confidence of the State Commissioner of Excise in the good faith of those citizens interested in the liquor business who said that bad places must be eliminated. It has also largely diminished the skepticism of others who were disposed to regard the declaration of liquor men for a reform in their trade as a declaration for publication only, and made in the hope of modifying hostility to their interests.

In Massachusetts the number of licensed places is limited to 1 for each 1,000 of population. In some other states the limit is 1 for each 500 population.

The above examples may be said to represent the maximum and minimum limitations of licensed places based on population. Assuming this to be true, the mere statement of the fact that in this State there is now one licensed drinking place for each 364 of population, demonstrates the need of a substantial reduction.

Higher License

The desirability of increasing the excise tax at this time has been recently agitated, mostly for campaign purposes. Disregarding the motives of those who are largely responsible for the discussion of the question as a real or imaginary issue in the recent election, it has been given sufficient prominence in the public mind to warrant brief mention in this report.

It should be always remembered that the Liquor Tax Law is not primarily or essentially a tax law, and that it could not stand the constitutional test of the courts as such. (See *People ex rel. Einsfeld v. Murray*, 149 N. Y. 367.) Upon the theory thus laid down by the Court of Appeals that the excise tax can be enforced only as a proper exercise of the police power of the State in decreasing excise abuses, there can be no additional tax unless it will result in further improvement in excise conditions.

There seems to be no good reason for supposing that a higher tax would so increase the efficiency of the local police officials as to repair the damage which is certain to result to *Law Enforcement* if the work of the Department should be diverted to new fields. Much of the time of the Department is occupied in the prosecution of unlicensed dealers, hundreds of whom are to be found in cities where police officials, prosecuting officers, and the inferior criminal courts themselves are now indifferent to excise violations. Especially is this true in those cities where many unlicensed places exist under police protection or because of police indifference, often due in large measure to the action of the inferior courts in humiliating those officers who do attempt to perform their duty.

A higher tax would certainly multiply this evil in the absence of better *Law Enforcement*.

The following schedule showing the ratio between licensed places and population in the several cities of the State on April 30, 1896, the end of the last year under the former law, and on April 30, 1908, indicates the efficiency of high license as a method of decreasing the number of licensed places.

The fact that in the Borough of Queens, where the minimum tax is only \$150, there is one licensed place for each 159 of population, and in the Borough of Richmond, where the minimum tax is only \$150, there is one for each 162; while in the Borough of Brooklyn, where the minimum tax is \$975, there is only one for each 414 of population, and in the Boroughs of Manhattan and The Bronx, where the minimum tax in the former is \$1200 and in the latter \$525, there is only one for each 409, presents an unanswerable argument in favor of the recommendation made in the Department's report of last year, that there be a flat rate of excise taxation prescribed for all places within the city of New York, based on the population of the entire city, or that a flat rate should be provided for each borough in the city, based on the population of such borough, in order to reduce the places to the more desirable ratio that obtains in the other boroughs of Greater New York.

It is doubtful if any more practical or equitable means of reducing the number of licensed places in the State can be devised than that of high license, supported by a reasonable degree of *Law Enforcement*, in connection with the suggestions above made for regulating the licensing of new places and for the elimination of places now licensed upon a limited number of forfeitures of certificates for convictions, or of cancellations because of persistent violations.

The scandalous practices of inferior courts in the Borough of Brooklyn, as shown by the evidence recently taken before a Legislative Commission, should be a sufficient object lesson to citizens who really desire to know the truth. When courts protect excise criminals in cases where the police officials are trying to do their plain duty, it is time for all good citizens to stop criticisms of the law and discussions of useless or harmful amendments, and devote their attention to securing such a type of official servants as will insure *Law Enforcement*. In the interest of good government, all amendments which will tend to make it more difficult to enforce the law or which will eliminate any of the present agencies of *Law Enforcement* from any of the divisions of the State, should fail. Good citizens should bend their efforts to the adoption of some necessary and practical measures to enforce the

law, with a courageous determination to amend the defective manner in which many citizens perform their civic duties.

There is an ever increasing interest in the excise question throughout the State that tends to improve the quality and to decrease the quantity of suggested amendments. A broader study of the problem has largely promoted a more reasonable understanding that the greatest need is for better *Enforcement of the law*, and citizens who are most deeply concerned now agree that the reform most needed is in the *methods of enforcement* rather than in the law itself. The Department is cooperating so far as possible with all interests and elements to perfect the execution of the law, regardless of a wide divergence of individual views as to the wisest final solution of the question.

RESULTS IN NEW YORK COUNTY

The net excise receipts in New York county under the Liquor Tax Law for the year ending April 30, 1908, after paying all rebates, were \$7,563,391.91, of which there was paid into the treasury of New York City, as the locality's net share, \$3,781,695.84, and into the State Treasury, as the State's net share, \$3,781,696.07.

Since the enactment of the Liquor Tax Law, May 1, 1896, to April 30, 1908, there has been collected under it in New York county, \$77,782,249.26, of which \$43,334,798.51 has been paid into the treasury of New York City, and \$31,054,986.75 into the treasury of the State (rebates on surrendered certificates deducted).

BENEFIT BY REDUCED STATE TAX, ETC.

The net amount paid into the State treasury as excise taxes from the entire State for the year ending April 30, 1908, was \$9,197,343.84.

New York county's share of property assessed for State taxation is given in the equalization table for 1908, prepared by the State Board of Assessors, as 55.066 per cent. Therefore, the benefit derived by New York county from liquor tax moneys paid into the State treasury during the year ending April 30, 1908, has been 55.066 per cent. of \$9,197,343.84 or \$5,064,609.36. In other words, if the State treasury had not received the above amount as taxes from the liquor traffic, New York county would have been

obliged to pay into the State treasury from taxes on real and personal property, \$5,064,609.36 more for the support of the State government. In addition to this benefit of \$5,064,609.36, from reduced State taxes during the year ending April 30, 1908, there was paid directly into the treasury of New York City, as the locality's share of the excise receipts collected in New York county, \$3,781,695.84, making a total benefit for the year of \$8,846,305.20, being an increase of \$7,790,292.10 over the total \$1,056,013.10 receipts from excise taxes under the old law for the year ending April 30, 1896.

It will be noted from the above that New York county's benefit under the Liquor Tax Law by reduced State taxes for the year ending April 30, 1908, was \$5,064,609.36, while there was paid into the State treasury as excise taxes coming from such county, but \$3,781,696.07, that is, New York county benefited from a reduction in its State tax through operation of the Liquor Tax Law, \$1,282,913.29 more than was paid into the State treasury as excise taxes from that county.

This result is due to the fact that New York county's per cent. of the entire real and personal property in the State, which is assessed for State taxation, is greater than the per cent. of the entire excise taxes paid into the State treasury which comes from that county.

DECREASE IN DRINKING PLACES

Under the old law for the year ending April 30, 1896, there were 7,841 places licensed in New York county for liquors to be drunk on the premises where sold. The number of liquor tax certificates in force April 30, 1908, for such drinking places, was 5,833, being a decrease of 2,008 or 25.6 per cent., and the number in force September 30, 1908, was 5,600, being a decrease of 2,241, or 28.5 per cent.

TABLE C

THE FOLLOWING TABLE SHOWS THE NUMBER OF LIQUOR TAX CERTIFICATES ISSUED, SURRENDERED, REVOKED AND IN FORCE UNDER EACH SUBDIVISION, TOGETHER WITH THE AMOUNT RECEIVED FROM CERTIFICATES, ALL-NIGHT PERMITS, TRANSFERS AND FINES, ALSO THE NET REVENUE DISBURSED IN EVERY CITY AND TOWN IN THE STATE, UNDER THE LIQUOR TAX LAW, FROM MAY 1, 1908, TO SEPTEMBER 30, 1908, INCLUSIVE (FIVE MONTHS).

In these tables the county's share of the State's revenue is computed by this Department from the State Tax Commissioners' table of valuation for 1908, and the localities' shares are computed from the supervisors' reports of valuations, as per State Tax Commissioners' Annual Report of 1907.

Chapter 144, Laws of 1908, amending the Liquor Tax Law, by changing the certificate year (May 1 to April 30) to agree with the fiscal year of the State (October 1 to September 30), provided for the issue of liquor tax certificates on May 1, 1908, to expire September 30, 1908, five months.

ENUMERATION TO DETERMINE TAX RATE

ENUMERATION TO DETERMINE TAX RATE

Under section 11 of the law the rate of tax for any locality is determined upon basis of population as shown by the last State census or enumeration (which occurred June 1, 1905).

When the population of a city or village is not shown by the latest State census it is determined for the purpose of this act by the latest United States census, and if not shown by reason of the incorporation of a new city or village, or by reason of not having been separately enumerated, the State Commissioner of Excise is authorized and directed, in his discretion, to cause an enumeration of the inhabitants to be taken in such city or village.

The State Commissioner may also cause to be taken an enumeration of the inhabitants of any hamlet or unincorporated village, after first having established a limit or boundary line around such hamlet or unincorporated village, within which limit or boundary line such enumeration may be taken.

If since the latest State enumeration was taken the boundaries of a city shall have been changed by the addition of territory not in the same judicial district, such annexed territory shall not be deemed to be a part of such city for the purposes of determining the amount of the excise tax assessed therein; but the inhabitants of such annexed territory shall be enumerated for the purpose of so determining such excise tax.

While the State census of 1892 separately enumerated all the then cities of the State, it, in no instance, separately enumerated the incorporated villages as such. Its plan of enumeration of the rural portion of the State was by election districts, thus preventing the separate enumeration of villages, as the election district boundaries were not coterminous with village boundaries. But under the last State census or enumeration, June 1, 1905, incorporated villages and cities were separately enumerated.

As a result of enumerations made, as shown by the following table, the annual liquor tax revenue has been largely increased and more equitable and satisfactory tax rates established.

§ 3. **The abolition of boards of excise and their powers and duties.**—From and after the thirtieth day of April, eighteen hundred and ninety-six, all boards of excise in the state of New York are abolished, and the rights, duties and powers of all boards of excise and of all commissioners of excise, and of the clerks and all other employes, shall cease and terminate from that date. No license to sell liquor shall be granted after the passage of this act

by any such board of excise, to extend beyond the thirtieth day of April, eighteen hundred and ninety-six. The fee for such license to so expire shall be in proportion to the fee for one year.

§ 4. **The continuance of licenses.**—Every license heretofore lawfully granted by a board of excise, which is valid when this act takes effect, shall be, and remain, valid for the term for which it was granted, except as herein provided, unless sooner cancelled under the provisions of the law under which it was granted, and the rights and liabilities of the holder thereof during such term shall be governed by the laws in force immediately prior to the taking effect of this act, except as otherwise expressly provided in this act, but such license shall cease, determine, and be void from and after the thirtieth of June, eighteen hundred and ninety-six; and the tax herein provided to be assessed shall not be levied or collected upon the business of any corporation, association, copartnership or person holding an unexpired license, until the time lawfully fixed for the expiration of such license, or its termination as herein provided unless such license shall be sooner cancelled. When a license is terminated on the thirtieth day of June, eighteen hundred and ninety-six, as above provided, the holder of such license shall be entitled to receive and recover from the town or city in which such license was granted, such proportion of the whole license fee paid therefor, as the remainder of the time for which such license would otherwise have run, shall bear to the whole period for which it was granted, and the same shall be paid by such town or city on demand.

§ 5. **The duties of existing boards of excise.**—On the fifteenth day of April, eighteen hundred and ninety-six, the several boards of excise in the several towns and cities of the state shall report in detail to the county treasurer of the county in which such board may be, except in counties containing a city of the first class, and in those counties to the special deputy commissioner for such county, the names of all corporations, associations, copartnerships, or persons who at that date hold a license from such board, the kind of license held, the date when the same was granted, the date of the termination thereof, the amount paid therefor, the name

and residence of each surety on the bond of each licensee, and the place where business is carried on by such corporation, association, copartnership or person, and the names of all persons against whom proceedings are pending for a violation of the excise law, and shall on the thirtieth day of April, eighteen hundred and ninety-six, make a supplementary report to such county treasurer or special deputy commissioner in like form, covering all business transacted by them after the fifteenth day of April. They shall within thirty days after said thirtieth day of April deposit with the county treasurer of the county, or in the counties containing a city of the first class, with the special deputy commissioner for such county, all books of record and accounts, maps and scrap books that have been kept by such board. Failure to make the report required by this section, or to deposit the books of record and accounts, maps and scrap books as required shall subject the offending members of such board of excise to a penalty of five hundred dollars, to be collected by due process of law by the county treasurer of the county elsewhere than in the counties containing a city of the first class, and there, by the special deputy commissioner for such county.

§ 6. State commissioner of excise; duties; necessary party to certain litigation.—Within ten days after the passage of this act the governor, by and with the advice and consent of the senate, shall appoint a state commissioner of excise who shall hold his office for the term of five years, and until his successor is appointed and has qualified. The commissioner shall execute and file with the comptroller of the state a bond to the people of the state in the sum of twenty thousand dollars; with sureties to be approved by the comptroller, conditioned for the faithful performance of his duties, and for the due accounting for all moneys received by him as such commissioner. The commissioner shall receive an annual salary of seven thousand dollars and his necessary expenses, which salary shall be payable in equal monthly installments. The state commissioner shall make an annual report to the legislature on or before the second Monday in each year, which shall contain such statements, facts and explanations as will disclose the actual workings

of the liquor tax law in its bearings upon the welfare of the state, including all receipts and revenues collected under the law, and all expenses and disbursements incurred, and also such suggestions as to the general policy of the state and such amendments of this law as the commissioner shall deem appropriate. The state commissioner shall also cause the accounts and vouchers of all excise moneys collected and paid over to the state and to the several localities by each county treasurer and special deputy commissioner in the state, and the records of all transactions by them under the liquor tax law to be carefully examined, and the result of such examination certified to the state comptroller at least once in every year between the first day of *October* and the first day of *May*; and, in addition to such annual examination, said commissioner may, whenever in his discretion he shall deem it necessary, examine said accounts, vouchers and records. The state commissioner of excise shall be made a party to all actions and proceedings affecting in any manner the submission of the local option questions provided for in section sixteen of this act or the result of any vote thereupon or the traffic in liquors under this act; to all actions and proceedings relative to the issuance of liquor tax certificates under section eleven or the transfer thereof under section twenty-five, twenty-six, or twenty-seven, or the surrender thereof for cancellation and rebate under section twenty-five; to all injunction proceedings under section twenty-nine; and to all other civil actions or proceedings, whether brought under the provisions of this act or otherwise, which in any manner affect the enjoyment of the privileges or the operation of the restrictions provided for in this act. From all other parties to such actions or proceedings, he shall be entitled to due notice of all proceedings therein and shall be duly served with copies of all papers and pleadings therein, where such notice of proceedings is not given to and such service of papers and pleadings is not made upon an attorney appearing therein upon his behalf, pursuant to a designation under section ten of this act.

Thus amended, L. 1897, chap. 312; L. 1901, chap. 640; L. 1907, chap. 345; and *L. 1908, chap. 144.

§ 7. **Office of state commissioner.**—The trustees or other officers having, by law, the custody of public buildings at the state

The commissioner shall from time to time furnish the necessary furniture, stationery, and other proper conveniences for the transaction of such business, the expenses of which shall be paid by the treasurer on the certificate of the commissioner and the warrant of the comptroller.

§ 8. **Deputy commissioner; second deputy commissioner; secretary; clerks.**—The state commissioner of excise shall appoint a deputy commissioner who shall receive an annual salary of five thousand dollars and his necessary expenses, which salary shall be payable in equal monthly installments. During the absence or inability to act of the state commissioner, the deputy commissioner shall have and exercise all the powers conferred by this chapter upon the state commissioner. The deputy commissioner shall give a bond to the people of the state in the sum of twenty thousand dollars and with such sureties as shall be approved by the commissioner. The commissioner shall appoint a second deputy commissioner, who shall receive an annual salary of three thousand five hundred dollars, payable in equal monthly installments. During the absence or inability to act of the state commissioner and of the deputy state commissioner, the second deputy commissioner shall have and exercise all the powers conferred by this chapter upon the state commissioner. The second deputy commissioner shall give a bond to the people of the state in the sum of twenty thousand dollars, and with such sureties as shall be approved by the commissioner. The commissioner shall appoint a secretary, who shall receive an annual salary of two thousand dollars, payable in equal monthly installments, and a financial clerk, who shall receive an annual salary of eighteen hundred dollars, payable in equal monthly installments. Such clerk, under the direction of the commissioner, shall have charge of the disbursement of the moneys appropriated for the expenses of the office, and shall give a bond to the people of the state, in such sum and with such sureties as shall be approved by the commissioner. Each of the officers provided for by this section, shall take and subscribe the constitutional oath of office before entering upon the performance of his duties, and may be removed by the commissioner, who may in like manner appoint his successor. The commissioner may also appoint such clerical force in his office as may be necessary.

Thus amended, L. 1897, chap. 312; L. 1903, chap. 486; and L. 1907, chap. 345.

If there be more than one bar, room or place on the premises, car, steamboat, vessel, boat or barge, at which the traffic in liquors is carried on under any subdivision of this section, a like additional tax is assessed for each such additional bar, room or place.

Subdivision 6a. Upon the business of trafficking in liquors in quantities of less than five wine gallons, but not less than two wine gallons, in any town, by a grower of fruit therein, or a manufacturer of any liquor produced solely therefrom in such town, which liquor can only be sold between the hours of seven o'clock in the morning and seven o'clock in the evening on any day, except Sunday, no part of which shall be drunk on the premises where sold, or in any outbuilding, yard, booth or garden appertaining thereto or connected therewith, and no part of which liquors shall be sold to or for any resident of said town, except the holder of a liquor tax certificate under subdivision three of section eleven of this act, in case traffic in liquors therein to be drunk on the premises where sold is prohibited as the result of a vote on local option pursuant to section sixteen of this act, there is assessed an excise tax to be paid by every corporation, association, copartnership or person engaged in such traffic, and for each such place where such traffic is carried on, the sum of seventy-five dollars for each excise

Subdivision 7. Enumeration.— When the population of a city or village is not shown by the latest state census, it shall be determined for the purposes of this act by the latest United States census, and if not shown by reason of the incorporation of a new city or village, or by reason of not having been separately enumerated, the state commissioner of excise is authorized and directed, in his discretion, to cause an enumeration of the inhabitants to be taken in such city or village. He may also cause to be taken an enumeration of the inhabitants of any hamlet or unincorporated village, after first having established a limit or boundary line around such hamlet or unincorporated village, within which limit or boundary line such enumeration may be taken. Whenever a limit or boundary line shall have been established around any hamlet or unincorporated village such limit or boundary line shall be described and certified to by the state commissioner of excise and be entered of record and become part of the records of the state department of excise, and such limit or boundary line shall not be changed for a period of five years after the date of recording the same, unless such hamlet or unincorporated village become an incorporated village, with corporate limits and boundary lines different from those established by the state commissioner of excise, in which case such newly incorporated village may be enumerated as hereinbefore provided in this section. If since the latest state enumeration was taken, the boundaries of the city shall have been changed by the addition of territory not in the same judicial district, such annexed territory shall not be deemed to be a part of such city for the purposes of determining the amount of excise tax assessed therein by this act; but the inhabitants of such annexed territory shall be enumerated for purposes of so determining such excise tax and, except as to the amount of the excise tax so determined, all the provisions of this act shall be applicable to such annexed territory and the excise tax assessed in such annexed territory shall be paid to the city to which such territory shall have been annexed. The amount of excise tax in every place in this state shall remain the same as assessed for the year eighteen hundred and ninety-nine, until changed by an enumeration authorized by the state commissioner of excise, or by

an increase or decrease of population shown by a subsequent state or United States census, and such excise tax assessed in each place enumerated under this subdivision and assessed in each place where a change in the population is shown by the latest state or United States census shall be the same as that provided in subdivisions one, two, three and six of this section, for places containing the same population. The excise taxes assessed under this act in cities containing a population of fifteen hundred thousand or more, which are or shall be formed by the consolidation of territory situate in one or more counties, shall be assessed in the several boroughs or portions of the territory so consolidated to form such city at an advance of one-half in the rate over the amount at which such taxes were assessed on the thirty-first day of December, nineteen hundred and two, in the several portions of the territory so consolidated. The state commissioner of excise shall immediately certify the result of an enumeration taken by him under the provisions of this act to the treasurer or special deputy commissioner of the county or borough in which the territory so enumerated by him or any part thereof is situated, which certificate shall be evidence of the facts therein stated.

Thus amended, L. 1897, chap. 312; L. 1900, chap. 367; L. 1901, chap. 640; L. 1903, chap. 115 and chap. 486; and L. 1905, chap. 678.

§ 12. **Tax, when due and payable.**—The several amounts to be paid as taxes under this act are assessed yearly, commencing on the first day of *October, nineteen hundred and eight*, and shall be paid yearly *in advance on the fifteenth day of September* of each year, and said assessments together with any penalty that may become due by reason of the violation of any of the provisions of this act, shall attach to and operate as a lien on the property on and in said premises where such traffic in liquors is carried on or elsewhere belonging to the corporation, association, copartnership or person from whom such tax is due; provided, however, that when such traffic shall be commenced after the said first day of *October* in any year, said assessment shall, for the balance of the year, be in proportion as the remainder of the year shall be to the whole year, except that it shall in no case be for less than one-twelfth of a year—any part of a month being computed as one month—and the said amount shall attach and operate as a lien as aforesaid, at the date of such commencement. *The several amounts to be paid as taxes under this act for traffic in liquors between the first day of*

May, nineteen hundred and eight and the thirtieth day of September, nineteen hundred and eight, inclusive, shall be five-twelfths of the assessed annual tax, provided, however, that if traffic shall be commenced after the first day of May, nineteen hundred and eight, and before the first day of October, nineteen hundred and eight, the assessment for the balance of such period shall be in proportion as the remainder of the period shall be to the whole period, except that it shall in no case be for less than one-twelfth of a year — any part of a month being computed as one month — and the said amount shall attach and operate as a lien as aforesaid.

Thus amended, * L. 1908, chap. 144.

§ 13. Officers to whom the tax is to be paid and how distributed.— The taxes assessed, and all fines and penalties incurred under this act in counties or boroughs having a special deputy commissioner of excise shall be collected by and paid to him. In all other counties such taxes, fines and penalties shall be collected by and paid to the county treasurer of the county in which the traffic is carried on, except that the taxes assessed under subdivisions four and five of section eleven of this act, and all fines and penalties in connection therewith, shall be collected by and paid to the state commissioner of excise and by him to the state treasurer. One-half of the revenues resulting from taxes, fines and penalties under the provisions of this act, less the amount allowed for collecting the same, shall be paid by the county treasurers, and by the several special deputy commissioners receiving the same within ten days from the receipt thereof, to the treasurer of the state of New York to the credit of the general fund, as a part of the general tax revenue of the state and shall be appropriated to the payment of the current general expenses of the state and the remaining one-half thereof, less the amount allowed for collecting the same, shall belong to the town or city in which the traffic was carried on from which the revenues were received, and shall be paid by the county treasurer of such county, or by the special deputy commissioner to the supervisor of such town, or to the treasurer or fiscal officer of such city, within ten days from the receipt thereof. All excise moneys collected by county treasurers

Action on said bond for any default or violation of its conditions may be brought by the state commissioner of excise who shall distribute the amount of money recovered to the locality and the state as their respective interests may appear. At the time of making such payment the special deputy commissioner or county treasurer shall furnish to the officer of such city or town to whom such payment is made a written statement under oath stating when such money was received and from whom received; and that the statement includes all the moneys received to a date named in such statement. Such revenues shall be appropriated and expended by such town or city, in such manner as is now or may hereafter be provided by law for the appropriation and expenditure of sums received for excise licenses or in such other manner as may hereafter be provided by law; and any portion of such revenues not otherwise specifically appropriated by law may be applied to the ordinary expenses of the city or town. Any special deputy commissioner or county treasurer who shall neglect or refuse to appropriate and pay over such moneys, as above provided, shall, in addition to the fines and penalties otherwise provided in this act, be liable to a penalty of fifty dollars for each and every offense, to be recovered in an action by the officer entitled to receive such excise moneys, brought by such officer in the name of the city or town entitled thereto, with costs, in addition to the money unlawfully withheld; and if any special deputy commissioner or county treasurer shall wilfully make and verify a false statement under this section, he shall be guilty of perjury.

Thus amended, L. 1897, chap. 312; L. 1900, chap. 367; and L. 1903, chap. 115 and chap. 486.

§ 14. **Compensation of county treasurers.**—As full compensation and in full payment of all charges and expenses for collecting the taxes herein provided for, and keeping the necessary books, and making the necessary reports, as required by the state commissioner of excise, and issuing the liquor tax certificates, the officer charged therewith, shall be allowed, except as provided in section nine, in counties containing a city of the first or second class one per centum of the amount of taxes, penalties and fines collected; in counties containing a city of the third class, but not a city of the first or second class two per centum; in all other counties, three per centum, which amount shall be deducted and retained by him from the moneys so collected, as his compensation for the duties imposed upon him by this act, and in addition to the salary or fees allowed by law for the performance of his other official duties, and charged one-half to the state and one-half to the locality to which the tax belongs.

Thus amended, L. 1898, chap. 167; L. 1903, chap. 486; and L. 1907, chap. 345.

§ 15. **Books and blanks to be furnished by the state commissioner of excise.**—Immediately upon the passage of this act the state commissioner of excise shall cause to be prepared the necessary books for his office and shall also cause to be prepared and furnished to each special deputy commissioner and to each county treasurer in counties not containing a city of the first class, the necessary and proper books of record, and books in which accounts shall be kept of all taxes, or other moneys accruing and collected under the provisions of this act, and the necessary blanks for reports, and the blanks necessary for the application for liquor tax certificates, and the blank bonds and liquor tax certificates provided for in this act, which books, blanks and certificates shall be uniform throughout the state. Such officer shall also keep all such books of account and in such form as the state commissioner of excise shall provide and direct, and shall render to such commissioner such reports and exhibit such records, accounts and vouchers as he may from time to time require, which reports shall be verified if the state commissioner

§ 16. Local option to determine whether liquor shall be sold under the provisions of this act.—In order to ascertain the will of the qualified electors of each town, the following questions shall be submitted at each biennial town meeting hereafter held in any town in this state, provided the electors of the town to the number of ten per centum of the votes cast at the next preceding general election shall request such submission by written petition, signed and acknowledged by such electors before a notary public or other officer authorized to take acknowledgments or administer oaths, which petition shall be filed not less than twenty days before such town meeting with the town clerk of the town:

Question 1. Selling liquor to be drunk on the premises where sold.—Shall any person be authorized to traffic in liquors under the provisions of subdivision one of section eleven of the liquor tax law, namely, by selling liquor to be drunk on the premises where sold, in (here insert the name of the town) ?

Question 2. Selling liquor not to be drunk on the premises where sold.—Shall any person be authorized to traffic in liquors under the provisions of subdivision two of section eleven of the liquor tax law, namely, by selling liquor not to be drunk on the premises where sold, in (here insert the name of the town) ?

Question 3. Selling liquor as a pharmacist on a physician's prescription.— Shall any person be authorized to traffic in liquors under the provisions of subdivision three of section eleven of the liquor tax law, namely, by selling liquor as a pharmacist on a physician's prescription, in (here insert the name of the town) ?

Question 4. Selling liquor by hotel keepers only.— Shall any person be authorized to traffic in liquors under subdivision one of section eleven of the liquor tax law, but only in connection with the business of keeping a hotel, in (here insert the name of the town), if the majority of the votes cast on the first question submitted are in the negative ?

The town clerk shall, within five days from the filing of such petition in his office, prepare and file in the office of the county clerk of the county a certified copy of such petition, provided the town meeting at which such questions are to be submitted is to be held at the time of the general election. The town clerk shall also, at least ten days before the holding of such town meeting or general election, cause to be printed and posted in at least four public places in such town, a notice of the fact that all of the local option questions provided for herein will be voted on at such town meeting or general election ; and the said notice shall also be published, at least five days before the vote is to be taken, once, in one newspaper published in the county in which such town is situate, which shall be a newspaper published in the town, if there be one. Whenever such questions are to be submitted under the provisions of this act, it shall be the duty of each officer charged by law with the duty of preparing the official ballots for such town meeting or election, to have prepared at the time fixed by law for preparing the official ballots for such town meeting or election, the ballots required by the election law for voting upon any constitutional amendment, proposition or question in the form and of the number required by the election law, upon the face of which shall be printed in full the said questions, as heretofore stated. Any elector qualified to vote for town, county or state officers at such town meeting or general election shall be entitled to vote upon such local option questions. As soon as the town meeting or election shall be held, a return of the votes cast and counted shall be made as provided by law, and if the majority of the votes shall be in

the negative or if the number of votes cast for and against shall be equal on either of such questions, no person shall thereafter so traffic in liquors or apply for or receive a liquor tax certificate under the subdivision or subdivisions of section eleven, referred to in the question or questions upon which the number of votes cast for and against shall be equal or upon which the majority of the votes shall have been cast in the negative, except as provided by clause "j" of section thirty-one of this act. But if the majority of the votes cast on the fourth question submitted are in the affirmative, and a majority of the votes cast on the first question submitted are not in the affirmative, a liquor tax certificate may be granted under subdivision one of section eleven to the keepers of hotels, who may traffic in liquor to be drunk in the hotel and off the premises, though the majority of the votes cast on the second question submitted are not in the affirmative. If the majority of the votes cast on the second question submitted shall be in the affirmative, the holder of a liquor tax certificate under subdivision two of section eleven, who is a pharmacist, shall not sell as a pharmacist unless the majority of the votes cast on the third question submitted are in the affirmative. The status existing at the time such vote is taken upon questions submitted shall not be changed until the first day of *October* following next thereafter, prior to which time such vote shall neither authorize the issuance of liquor tax certificates in accordance therewith or preclude the issuance of such certificates in accordance with the result of the preceding vote on such questions submitted, nor shorten the term for which any liquor tax certificate may have been lawfully issued, nor affect the rights of any person thereunder. If for any reason except the failure to file any petition therefor, the four propositions provided to be submitted herein to the electors of a town shall not have been properly submitted at such biennial town meeting, such propositions shall be submitted at a special town meeting duly called. But a special town meeting shall only be called upon filing with the town clerk the petition aforesaid and an order of the supreme or county court, or a justice or judge thereof, respectively, which may be granted upon eight days' notice to the state commissioner of excise, sufficient reason being shown therefor. Upon any application for such order, the town board, or any taxpayer in the

town, may intervene as a party and be heard in opposition thereto. The town clerk shall within five days after the filing of such petition and order, call a special town meeting to be held at a time not less than twenty days nor more than thirty days after the filing of such petition and order, and he shall also cause to be printed, posted and published a notice of such special town meeting, containing a clear and concise statement of the purpose thereof and shall prepare ballots therefor in all respects as is provided by this act in the case of a biennial town meeting, and the result of the vote thereat shall be canvassed, certified and returned in like manner and shall take effect at the beginning of the next excise year, that is, on the first day of *October* following such vote, as is provided when a vote is taken at a biennial town meeting. A certified copy of a statement of the result of the vote, upon each of such questions submitted, shall immediately after the submission thereof, be filed by the town clerk or other officer with whom returns of town meetings are required to be filed by the election law with the state commissioner of excise and also with the county treasurer of the county, or with the special deputy commissioner having authority, where traffic in liquor therein is lawful to issue liquor tax certificates to be held in such town, and no liquor tax certificate shall thereafter be issued by such officer to any person to traffic in liquor in said town under such subdivision of section eleven of this act upon which a majority of the votes may have been cast in the negative, except as otherwise provided in this act.

The name and residence of every person interested or to become interested in the traffic in liquors for which the statement is made, unless such applicant be a corporation or association, in which case the person making the application in behalf of the corporation or association shall set forth, instead, the name of the corporation or association, the state under the laws of which it is organized, and the nature of his authority to act for such corporation or association.

3. The premises where such business is to be carried on, stating the street and number, if the premises have a street and number, and otherwise such apt description as will reasonably indicate the locality thereof, and also the specific location on the premises of the bar or place at which liquors are to be sold.

4. Under which subdivision of section eleven of this act the traffic in liquors is to be carried on, and what, if any, other business is to be carried on in connection therewith, or on the same premises, by the applicant or any other person; and also what, if any, other business is to be carried on by the applicant or by another in any room adjoining, which is not entirely separated from the room in which the traffic in liquors is to be carried on, by solid partition at least three inches thick extending from floor to ceiling, without any opening therein.

5. And a statement that such applicant has not been convicted of a felony; has not been convicted of a violation of this law within three years prior to the date of such application; does not, as owner or agent, carry on, or permit to be carried on, nor is interested in any traffic, business or occupation, the carrying on of which is a violation of law, and may lawfully carry on such traffic in liquors

upon such premises, under such subdivision, and is not within any of the prohibitions of this act. Also how many buildings occupied exclusively as dwellings there are, the nearest entrance to which is within two hundred feet measured in a straight line of the nearest entrance to the premises where the traffic in liquors is intended to be carried on, and whether the applicant intends to traffic in liquors under the certificate applied for in any building, yard, booth, or other place, which is on the same street or avenue and within two hundred feet of a building occupied exclusively as a church or schoolhouse, and if either question is answered affirmatively that there are any such dwellings, church or school building then said applicant shall also state whether such traffic in liquors, was actually, lawfully carried on in such premises on March twenty-third, eighteen hundred and ninety-six, and, if yes, the date since which said premises have been continuously occupied for such traffic in liquors; also whether said premises were actually occupied as a hotel on March twenty-third, eighteen hundred and ninety-six, and if yes, the date since which said premises have been continuously occupied as a hotel; also whether any liquor tax certificate for traffic in liquors in such premises has been revoked *or forfeited* since the first day of May, nineteen hundred and five; and if yes, the date of the entry of the latest final order revoking *or the date of the latest conviction or judgment forfeiting the same, and whether the violation for which such revocation, conviction or forfeiture was had was that the certificated premises had been suffered or permitted to be disorderly or that gambling had been suffered or permitted therein.*

6. There shall also be so filed simultaneously with said statement, a consent in writing that such traffic in liquors be so carried on in such premises, executed by the owner of the premises, or by his duly authorized agent, and acknowledged as are deeds entitled to be recorded; except in cases where such traffic in liquors was actually lawfully carried on in said premises so described in said statement on the twenty-third day of March, eighteen hundred and ninety-six, in which case such consent shall not be required.

7. If such traffic is to be carried on in any building or place owned by the public, or in any building or place situate on land owned by the public such applicant or applicants shall at the same

time file with such county treasurer, or special deputy, the written consent of the authorities having the custody and control of such building, and of the land on which it is situated for the traffic in liquors therein.

8. When the nearest entrance to the premises described in said statement as those in which traffic in liquor is to be carried on is within two hundred feet, measured in a straight line, of the nearest entrance to a building or buildings occupied exclusively for a dwelling, there shall also be filed simultaneously with said statement a consent in writing that such traffic in liquors be so carried on in said premises during a term therein stated, executed by the owner or owners, or by a duly authorized agent or agents of such owner or owners of at least two-thirds of the total number of such buildings within two hundred feet so occupied as dwellings, and acknowledged as are deeds entitled to be recorded, except that such consent shall not be required in cases where such traffic in liquor was actually lawfully carried on in said premises so described in said statement on the twenty-third day of March, eighteen hundred and ninety-six, nor shall such consent be required for any place described in said statement which was occupied as a hotel on said last mentioned date, notwithstanding such traffic in liquors was not then carried on thereat. Whenever the consent required by this section shall have been obtained and filed as herein provided, unless the same be given for a limited term, no further or other consent for trafficking in liquor on such premises shall be required so long as such premises shall be continuously occupied for such traffic. If a liquor tax certificate shall be revoked and cancelled under section twenty-eight of this act, or forfeited under any other section of this act, after the first day of May, nineteen hundred and five, the traffic in liquors shall not thereafter be carried on at the premises for which such certificate was issued, nor any liquor tax certificate obtained therefor so long as said premises continue to be occupied, not exceeding one year, by the person who was the holder of the forfeited certificate at the time of the commission of the act complained of, or occupied by a member of his family, his agent or by any person in his employ, or representing him, or so long as the said former certificate holder shall be interested in the traffic in liquors to be continued

at said premises under a new certificate, unless there shall be obtained and filed simultaneously with the application statement for such certificate, a consent in writing that such traffic in liquors be so carried on in said premises, as required by the general provisions of this subdivision, notwithstanding such traffic in liquor may have been actually lawfully carried on in said premises on the twenty-third day of March, eighteen hundred and ninety-six, or said premises occupied as a hotel on said last mentioned date, and notwithstanding the consents required by this subdivision, given for an unlimited term, shall have been previously obtained and filed; and if the violation of law for which the cancellation or forfeiture of said certificate was had was that the holder thereof, or his agent, had suffered or permitted said certificated premises, or any yard, booth, garden or any other place appertaining thereto or connected therewith, to become disorderly, *or had suffered or permitted any gambling in the place designated by the liquor tax certificate as that in which the traffic in liquors was to be carried on, or in any yard, booth, garden or any other place appertaining thereto or connected therewith, no new certificate shall be issued for said premises to any person, for the period of one year from the date of the entry of a final order cancelling such certificate, or from the date of the conviction of the certificate holder for such crime committed on said premises: provided that the discontinuance of traffic in liquors for one year or less, by reason of the provisions of this section, shall not operate or be construed to forfeit any right of traffic which, under the provisions of this section, attached to the place for which such forfeited or revoked certificate was held.*

9. If the traffic in liquors is to be carried on in connection with the business of keeping a hotel, the applicant shall also show by his application that all the requirements of section thirty-one hereof, defining hotels, have been complied with.

10. When such applicant shall be a duly licensed pharmacist desiring to traffic in liquors as such, under subdivision three of section eleven of this act, he shall file with such county treasurer, or special deputy commissioner, in addition to the other statements required by this act, a verified statement also showing that said applicant is a licensed pharmacist in good standing, actually carrying on and doing business as a pharmacist on his own account

at the place or store where he desires to so traffic in liquor, that the principal business which will be transacted by said applicant in said place or store, during the period to be covered by the certificate applied for, is the dispensing and retailing of drugs and medicines, that said applicant has not, during the year last past, allowed any liquor so sold on said place or store to be drunk therein, or otherwise violated any of the provisions of this act. Every person liable for a tax under subdivision four of section eleven of this act shall, on or before the first day of *October* of each year, prepare and make upon a blank, which shall be furnished by the state commissioner of excise, such statement in regard to carrying on such traffic as the commissioner may require, including the statement required under clauses one, two and five of this section, which statement shall be given to the state commissioner of excise, signed and sworn to by such applicant or applicants, or by the person making such application in behalf of a corporation or association.

11. Upon receiving such statement, the same shall be filed in the office of such county treasurer, special deputy commissioner of excise, or state commissioner of excise, to whom the same is given as herein provided, who shall endorse thereon the date of the receipt of the same, the amount of tax paid by or on behalf of said applicant, the date of the issuing of the liquor tax certificate thereon, the number of the same, the premises where such business is to be carried on, and under which subdivision of section eleven said certificate is issued. Said indorsement shall be signed by the said county treasurer, special deputy commissioner of excise, or state commissioner of excise, in whose office the same is filed, and such indorsement shall be received in evidence in all courts of the state and shall be competent and sufficient *prima facie* evidence of all the facts stated therein.

the county in which such traffic is to be carried on, *or in the office of the special deputy commissioner of excise, if there be one*, or if the application be under subdivision four of section eleven of this act, with the state commissioner of excise, a bond to the people of the state of New York, in the penal sum of the amount plus one-half of the tax for one year upon the kind of traffic in liquor to be carried on by such applicant, where carried on, but in no case for less than five hundred dollars, conditioned *that there is no material false statement in the application statement for such liquor tax certificate*, and that if the liquor tax certificate applied for is given, the applicant or applicants will not, while the business for which such *liquor tax certificate* is given shall be carried on, suffer or permit any gambling in the place designated by the *liquor tax certificate* in which the traffic in liquors is to be carried on, or in any yard, booth, garden or any other place appertaining thereto or connected therewith, *or suffer, permit or have any opening or means of entrance or passageway for persons or things between the room where the traffic in liquors is carried on, and any other room or place where any person whosoever suffers or permits any gambling*, or suffer or permit such premises to become disorderly, *or suffer, permit or have any opening or means of entrance or passageway for persons or things between the room or place where the traffic in liquors is carried on, and any other room or place which any person whosoever suffers or permits to become disorderly*, and will not violate any of the provisions of the liquor tax law, *or any act amendatory thereof or supplementary thereto*; and that all fines and penalties which shall accrue during the time the certificate applied for is held, and any judgment or judgments recovered therefor, will be paid, together with all costs taxed or allowed *in any action or proceeding brought or instituted under the provisions of said liquor tax law*. Such bond shall be executed by each such applicant, and if given by a corporation or association, by some person or persons duly authorized so to do as principal, and by at least two sureties who shall be freeholders severally owning within *the county, city or borough where the traffic in liquors is to be carried on, under the certificate applied for*, unencumbered real estate of the value of not less than the penalty of the bond and who shall be residents

of the county, city or borough in which the premises are where such traffic is to be carried on, or instead of such sureties, by a corporation duly authorized to issue surety bonds by the laws of this state and approved by the state commissioner of excise, but the state commissioner shall not withhold such approval except in the case of a corporation which is of questionable solvency or which has defaulted in the payment for more than thirty days after notice of entry of a judgment recovered by the state commissioner of excise under the liquor tax law. The bond, if given by two sureties, shall have annexed thereto or indorsed thereon the affidavit of each surety that he is not engaged in the traffic in liquors nor employed in the conduct of such business, that he is a freeholder and that he owns unencumbered real estate situate in the county, city or borough where the traffic in liquors is to be carried on under the certificate applied for, of the value of not less than the penalty of the bond, the location of which shall be described in said affidavit, and if in a city or village the street and number given, and that he is worth double the penal sum named in such bond over and above his property exempt by law from levy and sale upon an execution and over and above his just debts and liabilities. The state commissioner of excise may at any time without previous prosecution or conviction for violation of any provision of the liquor tax law, or for the breach of any condition of said bond, commence and maintain an action, in his name, as such commissioner, in any court of record in any county of the state, for the recovery of the penalty for the breach of any condition of any bond or for any penalty or penalties incurred or imposed for a violation of the liquor tax law, *provided, however, that such action must be commenced within three years after the cause of action has accrued*, and all moneys recovered in such actions shall be paid over and accounted for in the same manner as are moneys collected under subdivision four of section eleven of this act, but no recovery shall be had in any action commenced hereafter on any bond filed and approved by the certificate issuing officer subsequent to April second, nineteen hundred and three, for more than the amount, plus one-half, of the tax for one year at the place for which the bond in suit was

given, provided that no recovery on any such bond shall be for less than five hundred dollars.

Thus amended, L. 1897, chap. 312; L. 1903, chap. 486; and *L. 1908, chap. 350.

§ 19. **The payment of the tax and issuing of the tax certificate.**—When the provisions of sections seventeen and eighteen of this act have been complied with and the application provided for in section seventeen is found to be correct in form, and does not show on the face thereof that the applicant is prohibited from trafficking in liquor under the subdivision of section eleven under which he applies, nor at the place where the traffic is to be carried on and the bond required by section eighteen is found to be correct as to its form and the sureties thereon are approved as sufficient by the county treasurer, *or by the special deputy commissioner of excise, if there be one*, then upon the payment of the taxes levied under section eleven of this act the county treasurer of the county, *or the special deputy commissioner of excise, if there be one*, or if the application be made under subdivision four or five of section eleven of this act, the state commissioner of excise, shall at once prepare and issue to the corporation, association, copartnership or person making such application and filing such bond and paying such tax, a liquor tax certificate in the form provided for in this act, unless it shall appear by a certified copy of the statement of the result of an election held on the question of local option, pursuant to section sixteen of this act, in and for the town where the applicant proposes to traffic in liquors under the certificate applied for, that such liquor tax certificate cannot be lawfully granted, in which case the application shall be refused.

§ 21. **Posting liquor tax certificates.**— Before commencing or doing any business for the time for which the excise tax is paid and the certificate is given, the said liquor tax certificate shall be inclosed in a suitable wood or metal frame, having a clear glass face and a substantial wood or metal back, so that the whole of said certificate may be seen therein and shall be posted up and at all times displayed in a conspicuous place in the room or bar where the traffic in liquors for which the tax was paid is carried on, so that all persons visiting such place may readily see the same, but if there be a door opening from the street into the room or barroom where the traffic in liquors is carried on and a window facing the street upon which such door opens, such certificate shall be displayed in such window, so it may be readily seen from the street. It shall be unlawful for any person holding a liquor tax certificate to post such certificate, or to permit such certificate to be posted upon premises other than those for which such certificate was issued or to which it has been transferred, under section twenty-six of this act, or upon premises where traffic in liquors is being carried on by any person other than the holder of such certificate; or to knowingly deface or destroy any liquor tax certificate. Certificates issued by the state commissioner of excise to common carriers shall be framed and posted conspicuously at the bar, if on a boat, where the same may be readily seen by the passengers; if on a car, the certificate, together with any transfer permit of same, granted for such car, shall be framed and conspicuously posted in the car for which it was issued or to which it has been transferred, so that all passengers may readily see the same. Whenever a certificate, issued in accordance with any of the provisions of this act, shall be lost or destroyed without fault on the part of the holder thereof or his agents or employees, a duplicate certificate in lieu thereof, under the original statement and bond, may be issued by the state commissioner of excise in his discretion and in accordance with such rules and regulations as he may prescribe. When the holder of a liquor tax certificate under this act, shall have presented the application and bond as required by sections seventeen and eighteen of this act, and paid the tax assessed by this act, not less than fifteen days before the time fixed for the expiration of such tax certificate, such holder of such tax certificate may continue to traffic in liquors pending the issue of the tax certificate, until notified in writing, by the officer charged with the duty of issuing such tax certificate, that such tax certificate so applied for will not be issued. If the application is refused the

moneys thus paid shall be returned to the applicant within ten days from the receipt of the same, with said notice, by the said certificate issuing officer. To continue to traffic in liquor after such notice is received is a violation of this law and subjects the person violating, to the penalties prescribed for trafficking in liquors without having a liquor tax certificate.

Thus amended, L. 1897, chap. 312; L. 1901, chap. 640; and L. 1903, chap. 486.

§ 22. **Restrictions on the traffic in liquors in connection with other business.**—No corporation, association, copartnership or person engaged in carrying on the business of selling dry goods or groceries, or provisions, or drugs as a pharmacist, shall be assessed under subdivision one of section eleven of this act, or receive a liquor tax certificate under such subdivision, unless it be to carry on the traffic in liquors under such subdivision one at some other building entirely distinct and separate from, and not communicating with the place where, and in which, such business of selling dry goods, groceries, provisions or drugs as a pharmacist is carried on, or if in the same building, then only in a room which is separated by partitions at least three inches thick, extending from floor to ceiling, with no opening or means of entrance or communication between the room where the traffic in liquors is carried on and the store or rooms in which the selling of dry goods, groceries, provisions or drugs as a pharmacist is carried on, so that it is necessary to go into a public street before the one place can be entered upon leaving the other.

Thus amended, L. 1897, ch. 312.

§ 23. **Corporations, associations, copartnerships or persons who or which shall not traffic in liquors.**—No corporation, association, copartnership or person mentioned in this section shall traffic in liquors except as herein provided:

1. No person:

a. Who has been or shall be convicted of a felony, or knowingly has in his employ a person who has been so convicted; or

b. Who is under the age of twenty-one years; or

c. Who is not a citizen of the United States and a resident of the state of New York; or

d. Who, shall be convicted for a violation of this act, until three years from the date of such conviction.

e. Whose agent or employee shall be twice convicted for a violation of this act, until three years from the date of such second conviction.

2. No corporation or association incorporated or organized under the laws of another state or country; provided, however, that if such corporation or association be acting as a common carrier or be operating dining, buffet, parlor or sleeping cars in this state, it may be granted a liquor tax certificate under subdivision four of section eleven of this act. And in case any car for which a liquor tax certificate is held shall be withdrawn from the service for repairs, or leave the state, such certificate may be temporarily transferred to a substitute car, in accordance with such rules and regulations as the state commissioner of excise shall prescribe, without payment of any transfer fee.

3. No copartnership, unless one or more of the members of such copartnership, owning at least one-half interest in the business thereof, shall be a resident of this state and a citizen of the United States.

5. No corporation, association or copartnership which has been or shall be convicted for a violation of this act, nor if an officer, member or agent thereof has been or shall be twice convicted for a violation of this act, until three years from the date of such conviction.

any yard, booth, garden or any other place appertaining thereto or connected therewith, or suffer, permit or have any opening or means of entrance or passageway for persons or things between the room where the traffic in liquors is carried on, and any other room or place where any person whosoever suffers or permits any gambling, or suffer or permit such premises to become disorderly, or suffer, permit or have any opening or means of entrance or passageway for persons or things between the room or place where the traffic in liquors is carried on, and any other room or place which any person whosoever suffers or permits to become disorderly, or carries on or permits to be carried on or is interested in any traffic, business or occupation, the carrying on of which is a violation of law.

Thus amended, L. 1897, chap. 312; L. 1900, chap. 80 and chap. 367; L. 1905, chap. 680; and *L. 1908, chap. 350.

§ 25. Surrender and cancellation of liquor tax certificates; payment of rebates; notice to police officials.

1. If a person holding a liquor tax certificate and authorized to sell liquors under the provisions of this act, against whom no complaint, prosecution or action is pending on account of any violation thereof, and who shall not have violated any provision of the liquor tax law during the excise year for which such certificate was issued, shall voluntarily, and before arrest or indictment for a violation of the liquor tax law, cease to traffic in liquors during the term for which the tax is paid under such certificate, such person or his duly authorized attorney may surrender such tax certificate to the officer who issued the same or to his successor in office provided that such tax certificate shall have at least one month to run at the time of such surrender; and provided that no rebate shall be allowed or paid upon the surrender and cancellation of a certificate issued under subdivisions three, five, six or six-a of section eleven of this act, and provided further, that the rebate thereon shall be computed for full months, less fifteen dollars, commencing with the first day of the month succeeding the one in which such certificate is surrendered, unless such surrender be on the first day of the month; and at the same time shall present to such officer a verified petition setting forth all facts required to be shown upon such application. Said officer shall thereupon compute the amount of rebate then due on said certificate for the unexpired term thereof, and shall execute duplicate receipts therefor showing the name of the person to whom such certificate was issued, the number thereof, date when issued, amount of tax paid therefor, and the date when surrendered for cancellation, together with the amount of rebate due thereon at such date as computed by him, the name of the person entitled to receive the rebate, the locality liable for one-half of such rebate, and the name and title of the fiscal officer thereof. One of such receipts said officer shall deliver to the person entitled thereto, and the other of such receipts he shall immediately transmit, with the surrendered certificate and the petition for the cancellation thereof, to the state commissioner of excise. If within thirty days from the date of the receipt of such certificate by the state commissioner of excise, the person surrendering such certificate shall be arrested or indicted for a violation of the liquor tax law, or proceedings shall be instituted for the cancellation of such

certificate, or an action shall be commenced against him for penalties, such petition shall not be granted until the final determination of such proceedings or action; and if the said petitioner be convicted, or said action or proceedings be determined against him, said certificate shall be cancelled and all rebate thereon shall be forfeited, but if such petitioner be acquitted, and such proceedings or action against him be dismissed on the merits then the state commissioner of excise shall prepare two orders for the payment of such rebate, one order for the one-half thereof, directed to the state treasurer, to be paid by him, on the certificate of the comptroller, and one order for the one-half of such rebate, directed to the fiscal officer of the proper locality, to be paid by such fiscal officer out of any excise or other moneys of such locality applicable thereto. If he have no such moneys of such locality in his possession or under his control, then the said fiscal officer shall at once borrow enough money upon the credit of the locality, and he is hereby authorized so to do, to pay said order, and shall pay the same. The money so borrowed shall be a lawful claim against such locality, to be paid as are other legal claims. The aforesaid orders, or the order on the said fiscal officer and the check of the state treasurer for said one-half of such rebate moneys, shall be transmitted to the officer who issued such cancelled certificate, or to his successor in office, to be delivered to the holder of the duplicate receipt upon the surrender of such receipt, which receipt shall be immediately transmitted to the said state commissioner. Any rebate moneys due on the cancellation of certificates issued by the state commissioner of excise under subdivision four of section eleven of this act, shall be paid by the state treasurer from any moneys applicable thereto, on the certificate or check of the state commissioner of excise, countersigned by the comptroller. If a corporation, association or copartnership holding a liquor tax certificate shall be dissolved, or a receiver or assignee be appointed therefor or a receiver, assignee or committee of the property of a person holding a liquor tax certificate be appointed during the time for which such certificate was granted, or a person holding a liquor tax certificate shall die during the term for which such tax certificate was given, such corporation, association, copartnership or receiver or assignee, or the administrator, or executor of the estate of such person, or the person or persons who may succeed to such business, or a committee of the

property of a person adjudged to be incompetent, may in like manner surrender such liquor tax certificate; or they may continue to carry on such business, upon such premises, for the balance of the term for which such tax was paid and the certificate given, with the same right and subject to the same restrictions and liabilities as if such persons had been the original applicant for and the original owners of such liquor tax certificate, upon filing a statement and bond, as provided by sections seventeen and eighteen of this act, and not otherwise; but the liquor tax certificate under which such business is carried on shall have written or stamped across the face of the same, over the signature of the officer who issued the same or his successor in office, the words " (herein insert the name of the person), is permitted to traffic in liquor as (here insert the representative capacity whether as assignee, receiver, executor, administrator or otherwise) of the original owner of this certificate for the unexpired term thereof."

2. It shall be the duty of any special deputy commissioner of excise or county treasurer, to whom a liquor tax certificate is surrendered for cancellation and rebate, to immediately serve a written or printed notice upon the commissioner of police, chief of police or chief police officer of the city, borough or village in which the place for which the surrendered certificate was issued is situated, or upon the sheriff of the county, and a constable of the town, in case the certificate was issued for a place situated in a town and not within any city, borough or village, which notice shall include a statement of the number of the surrendered certificate, the name and place of residence of the holder of the certificate at the time of surrender, the location of the place for which the certificate was issued or to which it has been transferred, and was held at the time of surrender by street and number, if any, otherwise such apt description as will definitely locate the premises; the fact that such liquor tax certificate has been surrendered; that the traffic in liquors at said premises by anyone is not authorized until a new certificate has been obtained therefor; and the date when such certificate was surrendered for cancellation. Such notice may be served by mail, by inclosing the same in a postpaid sealed envelope, duly addressed to such officer and shall be forwarded by registered letter. The special deputy commis-

sioner or county treasurer making such service shall forward to the state commissioner of excise a copy of the notice served, with proof of service thereof, and shall attach thereto the registry receipt of the officer to whom addressed as soon as the same is received.

3. *In case any person legally entitled to receive a liquor tax certificate under the provisions of the liquor tax law, shall have already paid, or shall hereafter pay a sum therefor in excess of the amount required by section eleven of said law, such person or his legal representative or assigns, may present to the state commissioner of excise such proof of the payment of such excess as the state commissioner of excise may require, the date thereof, the original assignment, if any, of the claim to such excess, and a release of all claims thereon against the state of New York, the special deputy commissioner of excise or the county treasurer of the county, and the locality in which such trafficking was carried on. Upon the determination by the state commissioner of excise of the justice and validity of said claim, the state commissioner of excise is hereby authorized and directed to issue and deliver to such person, his legal representative or assigns, two orders for the payment of such excess, one order for such portion thereof as was received by the state, directed to the state treasurer, to be paid by him on the warrant of the comptroller, and one order for such portion thereof as was received by the locality where such trafficking in liquors was carried on, directed to the fiscal officer of such locality, to be paid by such fiscal officer out of excise or other moneys of said locality applicable thereto. If the said fiscal officer have no such moneys of such locality in his possession or under his control, then the said fiscal officer shall at once borrow enough money upon the credit of the locality, and he is hereby authorized so to do, to pay said order, and shall pay the same. The money so borrowed shall be a lawful claim against such locality, to be paid as are other legal claims. That portion of the excess which was received by the state, shall be a charge upon and be paid out of the moneys appropriated for rebates.*

§ 26. **Changing the place of traffic.**— If a corporation, association, copartnership or person, having paid a tax and holding a liquor tax certificate, shall desire to transfer to and carry on such business for which the liquor tax certificate was issued in other premises than those designated in the original application, and in the tax certificate, but in the same city or town, and in premises where such traffic is not prohibited by this act, upon the making and filing of a new application and bond in the form and as provided for in sections seventeen and eighteen of this act and the presentation of the tax certificate, the officer who issued the same or his successor in office, shall write or stamp over his signature across the face of the certificate the words, “ The traffic in liquors permitted to be carried on under this certificate is hereby transferred from (here insert the description of the original locality) to (here insert the description of the new locality).”

§ 27. **Voluntary sale of a liquor tax certificate.**— The corporation, association, copartnership or person to which or to whom any liquor tax certificate is issued, except a certificate issued under subdivisions three, five or six of section eleven of this act, or their duly authorized attorney, may sell, assign and transfer such liquor tax certificate during the time for which it was granted to any corporation, association, copartnership or person not forbidden to traffic in liquors under this act, nor under the subdivision of section eleven under which such certificate was issued, which or who may thereupon carry on the business for which such liquor tax certificate was issued upon the premises described therein, if such traffic is not prohibited therein by this act, during the balance of the term of such tax certificate, with the same rights, and subject to the same liabilities as if such corporation, association, copartnership or person were an original applicant for such certificate and the original owner thereof, upon the making and filing of a new application and bond by such purchaser in the form and as provided for by sections seventeen and eighteen of this act, and the presentation of the tax certificate to the officer who issued the same or to his successor in office, who shall write or stamp across the face of the certificate over his signature the words “ consent is hereby given for the transfer of this liquor

tax certificate to (and here insert the name of the corporation, association, copartnership or person to which or to whom the same is transferred);" provided, however, that no such sale, assignment or transfer shall be made except in accordance with the provisions of the liquor tax law, nor permitted by any holder of a certificate who shall have been convicted, or be under indictment, or against which or whom a complaint under oath shall have been made, and be pending, for violating the provisions of this act or who shall have violated any provision of the liquor tax law. For each indorsement under sections twenty-five, twenty-six and twenty-seven of this act, the officer making the same shall charge and receive the sum of ten dollars to be paid by the applicant, which sum shall be apportioned and accounted for as are taxes, as provided in sections thirteen and fourteen of this act.

Thus amended, L. 1897, chap. 312.

§ 28. Subdivision 1. **Certiorari upon refusal to issue or transfer liquor tax certificates, and of the revocation and cancellation of a liquor tax certificate.**— Whenever any officer charged with the duty of issuing or consenting to a transfer of a liquor tax certificate under the provisions of this act shall refuse to issue or transfer the same, such officer shall indorse upon the application therefor, or attach thereto a statement of his reasons for such determination, and shall, if requested, furnish to the applicant a copy of such statement. Such applicant shall have the right to a writ of certiorari to review the action of such officer. The writ may be issued by, returnable to, and heard by a county judge of the county, or a justice of the supreme court of the judicial district in which the premises are situated in which the applicant desires to carry on the business of trafficking in liquors. If the writ be granted, the officer to whom it is directed shall in his return thereto, include copies of all the papers on which his action was based, and a statement of his reasons for refusing to grant such application. If such judge or justice shall upon the hearing determine that such application for a liquor tax certificate or for a transfer has been denied by such officer without good and valid reasons therefor, and that under the provisions of this act such liquor tax certificate should be issued or transferred,

such judge or justice may make an order commanding such officer to grant such application and to issue or transfer such liquor tax certificate to such applicant upon the payment of the tax or fee therefor.

Subdivision 2. At any time after a liquor tax certificate has been issued to any person under section eleven of this act, said liquor tax certificate may be revoked and canceled if material statements in the application of the holder of such certificate were false, or if the consents required by section seventeen are not properly filed as required by said section, or if the holder of said certificate was not for any reason entitled to receive or hold the same, or to traffic in liquors, or if any provision of this act is violated at the place designated in said certificate as the place where such traffic is to be carried on by the holder of said certificate, or by his agent, servant, bartender or any person whomsoever in charge of said premises, or if the holder of said certificate shall violate any of the provisions of this act at any place. For the purpose of obtaining such an order, the state commissioner of excise, the deputy state commissioner of excise, or any taxpayer of the city, *borough*, village or town for which such liquor tax certificate was issued may present a verified petition to a justice of the supreme court, or a special term of the supreme court of the judicial district, or the county *court* or judge of the county in which such traffic in liquors is designated to be carried on, or in which the holder of such certificate resides, or, if such holder of a liquor tax certificate is authorized to traffic in liquor under subdivision four or five of section eleven of this act, to a justice of the supreme court of the judicial district in which the principal office within this state of the corporation, association, copartnership or person is located, for an order revoking and canceling such certificate upon either or all of the grounds hereinbefore stated. Such petition shall state the facts upon which such application is based, and the state commissioner of excise shall be made a party to the proceeding, and from all other parties thereto shall be entitled to due notice of all proceedings, and shall be duly served with copies of all papers and pleadings where such notice of proceedings is not given to, and

such service of papers and pleadings is not made upon, an attorney appearing therein upon his behalf pursuant to a designation under section ten of this act. Upon the presentation of the petition, the justice, judge or court shall grant an order requiring the holder of such certificate to show cause before *such justice, judge or court*, or before a special term of the supreme court of the judicial district, on a day specified therein, not more than ten days after the granting thereof, why an order revoking and canceling such liquor tax certificate should not be granted; and said order shall also contain an injunction restraining the said certificate holder from transferring or surrendering such certificate for rebate, except as is hereinafter provided, until the final determination of the proceeding. Before granting such order to show cause or at any time during the pendency of said proceeding, upon motion of any party thereto on not less than five days' notice, said justice, judge or court may as a matter of discretion, if the petitioner be a taxpayer other than the state commissioner or deputy state commissioner of excise, order him to present a bond to the people of the state of New York, with sufficient sureties, in a penal sum of not more than five hundred dollars nor less than one hundred dollars, as said justice, judge or court shall direct, to be approved by the said justice, judge or court and filed in the office of the state commissioner of excise, together with a copy of the order requiring such bond, within five days thereafter, conditioned that the said proceeding will be prosecuted to a final determination without delay, and will not be suspended, compromised, settled or discontinued except in pursuance of an order of the court as provided herein, and the state commissioner of excise may commence and maintain an action for the full penalty thereof on account of the breach of any condition of said bond as though such bond were given under section eighteen of this act. A copy of such petition and order shall be served upon the holder of such certificate, and the officer issuing the same, or his successor in office, and upon the state commissioner of excise, in the manner directed by such order, not less than five days before the return day thereof. On the day specified in such order, the justice, judge or court before whom the same is returnable shall grant such order revoking and canceling the said liquor tax certificate, unless the holder

of said liquor tax certificate shall present and file an answer to said petition, which answer denies each and every violation of the liquor tax law, alleged in the petition, and raises an issue as to any of the facts material to the granting of such order, in which event the said justice, judge or court shall hear the proofs of the parties in relation to the allegations of the petition or answer. If the said evidence establishes any of the facts hereinbefore set forth as sufficient to revoke and cancel a certificate, an order shall be granted by said justice, judge or court revoking and canceling such certificate. Said order shall also provide that the holder of said liquor tax certificate, or any other person having such certificate in his possession or under his control, shall forthwith surrender said certificate to the officer who issued the same, or to his successor in office. A criminal prosecution and conviction for any violation of the liquor tax law shall not be a condition precedent to the granting of an order revoking and canceling any liquor tax certificate for any violation of this act. Upon the entry of such order in the county clerk's office of the county in which the traffic in liquors is authorized to be carried on under the certificate so revoked, and filing a copy thereof with the officer who issued such certificate, or his successor in office, and the service of a certified copy thereof upon the holder of said liquor tax certificate, or such substituted service as the court, judge or justice may direct, all the rights of the holder of said liquor tax certificate under such certificate, to traffic in liquors or to any rebate thereon under this act, shall cease, and the holder of said liquor tax certificate, or any other person having such certificate in his possession or under his control, upon whom service of a certified copy of said order shall be made in like manner, shall immediately surrender said certificate to the officer who issued the same, or to his successor in office. The neglect or refusal on the part of any person to surrender said certificate in pursuance of such order immediately upon the service thereof, shall be a contempt of court, punishable in the manner provided by the code of civil procedure. Upon the granting, entry and service of an order revoking and canceling a liquor tax certificate issued under subdivision three of section eleven to any person who is a licensed druggist or licensed pharmacist, such person shall, in addition to the other penalties

prescribed by this act, forfeit the use of his license as such druggist or pharmacist for the term of one year and be deprived of all rights and privileges thereunder during such period, and such license shall be surrendered with the liquor tax certificate so revoked and canceled, to be held by the officer to whom the same is surrendered, or his successor in office until the expiration of such period of suspension; and upon the granting, entry and service of an order revoking and canceling a liquor tax certificate issued to any person who is not a licensed druggist or a licensed pharmacist, but is in copartnership with or has such licensed druggist or licensed pharmacist in his employ at the place for which such liquor tax certificate was issued, and it shall appear from said order that any violation of this act has been committed by such licensed druggist or licensed pharmacist, or with his knowledge or consent at the place for which such liquor tax certificate was issued, the license of such druggist or pharmacist shall be similarly forfeited and surrendered. For the term of one year thereafter, no liquor tax certificate shall be issued to any corporation, association, copartnership or person to traffic in liquors under subdivision three of section eleven of this act, at the place for which such revoked and canceled liquor tax certificate was issued. The neglect or refusal on the part of any person to surrender his said license immediately upon the service of such order shall be a contempt of court, punishable in the manner provided by the code of civil procedure. Costs upon such proceeding may be awarded in favor of and against the petitioner or the certificate holder, in such sums as in the discretion of the justice, judge or court before which the petition is heard, may seem proper. At the time of the return of the show cause order, or at any time thereafter during the pendency of the proceeding upon five days' notice to the certificate holder by any party, the justice, judge or court granting the same may grant an injunction order restraining the certificate holder, his agents and servants from trafficking under the certificate or certificates sought to be canceled in the proceeding, or at the place or places for which the same were issued, and requiring that the said certificate or certificates be immediately delivered to the officer who issued the same, to be held until the final determination of the proceeding, provided

that, if the material allegations of the petition be upon information and belief, the justice, judge or court must require the presentation of one or more affidavits containing positive averments made by witnesses having personal knowledge of facts constituting one or more of the violations of law set forth in the petition. Before granting such injunction order said justice, judge or court may, if the petitioner be a taxpayer other than the state commissioner or deputy state commissioner of excise, require him to file a bond, with sufficient sureties, to the certificate holder, to be approved by the justice, judge or court, conditioned that, in case the certificate holder is successful in the proceeding, the petitioner will pay all costs taxed and allowed, and all damages not exceeding the sum of two hundred and fifty dollars. Such injunction order shall be served upon the certificate holder as provided therein, and failure to comply with its requirements shall be a contempt of court. No proceeding instituted for the cancellation of a liquor tax certificate shall be suspended, compromised, settled or discontinued except by order of the justice, judge or court before which the same is pending, upon not less than eight days' written notice to all parties, including the state commissioner of excise, of the time and place, when and where application for such order will be made. The granting of such order of discontinuance must be for sufficient cause in the discretion of the justice, judge or court, which must be recited therein, and shall be upon such terms and conditions as shall be prescribed in the order. If any person shall attempt or offer to make any settlement or compromise of any such proceeding, except as above provided, or shall demand, or receive, or offer to receive, directly or indirectly, any money or other thing of value as a consideration for not commencing or prosecuting any proceeding for the cancellation of a liquor tax certificate, he shall be guilty of a misdemeanor, and, upon conviction, shall be subject to the same penalties prescribed in subdivision one of section thirty-four of this act. In case a liquor tax certificate is surrendered pursuant to an injunction order or otherwise during the pendency of a cancellation proceeding, and the petitioner shall be unsuccessful therein, the final order shall provide that a pro rata rebate be computed by the state commissioner of excise for the actual time that traffic has

been suspended under the injunction order, and the said state commissioner shall prepare two orders for the payment of such rebate, one order for the one-half thereof directed to the state treasurer, to be paid by him on the certificate of the comptroller, and one order for the one-half of such rebate directed to the fiscal officer of the proper locality, to be paid by such fiscal officer out of any excise or other moneys of such locality applicable thereto, as provided in section twenty-five of this act in case of voluntary surrender of a certificate.

Thus amended, L. 1897, chap. 312; L. 1900, chap. 367; L. 1901, chap. 640; L. 1903, chap. 486; L. 1905, chap. 680; L. 1906, chap. 272; and * L. 1908, chap. 350.

§ 29. **Injunction for unlawfully trafficking in liquors or without liquor tax certificate.**— If any person shall unlawfully traffic in liquor without obtaining a liquor tax certificate, as provided by this act, or shall traffic in liquors contrary to any provision of this act, the state commissioner of excise, the deputy commissioner, or any taxpayer residing in the *city, borough, village or town*, may present a verified petition to a justice of the supreme court or a special term of the supreme court of the judicial district in which such county is situated *or the county court or judge of the county in which such traffic in liquors is carried on*, for an order enjoining such person from trafficking in liquor thereafter. Such petition shall state the facts upon which such *application* is based. Upon the presentation of the petition, the justice, *judge* or court shall grant an order requiring such corporation, association, copartnership or person to appear before *such justice, judge or court*, or before a special term of the supreme court of the judicial district, on the day specified therein, not more than ten days after the granting thereof, to show cause why such person should not be permanently enjoined from trafficking in liquor, until a liquor tax certificate has been obtained, in pursuance of law, or why such person should not be permanently enjoined from trafficking in liquors contrary to the provisions of the liquor tax law. A copy of such petition and order shall be served upon the person, in the manner directed by such order, not less than five days before the return day thereof. On the day specified in such order, the justice, *judge* or court before whom the same is returnable shall

hear the proofs of the parties, and may, if deemed necessary or proper, take testimony in relation to the allegations of the petition. If the justice, *judge* or court is satisfied that such corporation, association, copartnership or person has unlawfully trafficked in liquor without having obtained a liquor tax certificate, as provided by this act, or contrary to the provisions of this act, an order shall be granted enjoining such person from thereafter trafficking in liquor, contrary to the provisions of the liquor tax law, or without obtaining a liquor tax certificate. If, after the entry of such order in the county clerk's office of the county in which the principal place of business of the corporation, association or copartnership is located, or in which the person so enjoined resides or traffics, and the service of the copy thereof upon such corporation, association, copartnership or person, or such substituted service as the court may direct, such corporation, association, copartnership or person shall, in violation of such order, traffic in liquor, such traffic shall be deemed a contempt of court and punishable in the manner provided by the code of civil procedure. Costs upon the application for such injunction may be awarded in favor of and against the parties thereto *in such sums as* in the discretion of the justice, *judge* or court before which the petition is heard *may seem proper*. No proceeding under this section shall be taken, however, for a violation of section twenty-one of the liquor tax law, against any holder of a liquor tax certificate, who shall have made proper application for a new certificate, during the days of grace allowed under the provisions of said section twenty-one.

Such prescription shall not be made unless the physician is satisfied that the liquor furnished is necessary for the health of the person for whose use it is prescribed, and that fact must be stated in the prescription.

§ 31a. The holder of a liquor tax certificate under section eleven of this act who shall be the keeper of a hotel, lodging or boarding house shall, during the time such certificate is held, whenever and as often as the same shall be required, and within twenty-four hours from the service of a written notice therefor, deliver personally to the county treasurer or special deputy commissioner who issued the liquor tax certificate held by such hotel keeper, at his office, for immediate transmission to the state commissioner of excise, a verified report which shall contain a true and complete statement of the names of all persons entertained by him as guests, lodgers or boarders, stating after each name the date since when such guest, lodger or boarder has been permanently and continuously an inmate of said hotel, lodging or boarding house, which report shall cover the period specified by the state commissioner of excise in his notice therefor and all facts pertinent thereto required by said notice. Thus amended, L. 1901, chap. 640; and L. 1903, chap. 486.

§ 31-b. **In respect to applications to traffic as keeper of a hotel.**
— The provisions of this section shall apply only to cities and to incorporated villages.

Subdivision 1. Before any liquor tax certificate shall be issued or transferred to any corporation, association, copartnership or person upon an application statement by which it appears that the business of keeping a hotel is to be carried on in connection with

the traffic in liquors on the premises for which a liquor tax certificate under subdivision one of section eleven of this act shall be applied for, there shall be filed in the office of the special deputy commissioner of excise or county treasurer empowered to issue such certificate a sworn statement that such declared hotel building complies with the provisions of section thirty-one of the liquor tax law relating to hotels and hotel-keepers; such statements shall be filed by the following persons; in the city of New York by the superintendent of buildings of the borough in which such premises shall be situate, in other cities by the mayor of such city and in villages by the president of such village. The above-named persons shall inspect or cause to be inspected all buildings within such borough, city or village, which are deemed to be hotels, either as defined by this act or by any building laws or local ordinances, rules or regulations, or which are popularly known as hotels, and shall report in writing within thirty days after the passage of this act to the special deputy commissioner of excise or county treasurer having jurisdiction in such borough, city or village, the location by street and number, and if there be no street and number such description as shall identify the premises, of all such now existing hotel buildings as comply with the provisions of section thirty-one of the liquor tax law relating to hotels and hotel-keepers. Such reports shall be verified by the affidavit of the persons making the same. From time to time said officials shall in a similar way report the location of all other buildings that may hereafter be erected as or altered or converted into hotels, however defined, and which shall comply with the provisions of section thirty-one of the liquor tax law relating to hotels and hotel-keepers. Such reports shall be made within ten days after the erection or alteration of such buildings is completed. The officials responsible for making the reports mentioned in this section shall in each case file among their records a detailed statement showing the following facts on which said report is based; the number of bedrooms such building contains above the basement exclusive of those occupied by the family and servants; whether each bedroom is properly furnished to accommodate lodgers, whether the bedrooms are separated by partitions at least three inches thick extending from floor to ceiling, whether there is independent access to each bedroom

by a door opening into a hallway and whether each bedroom has a window or windows with not less than eight square feet of surface opening upon a street or open court, light-shaft or open air, and whether each bedroom has at least eighty square feet of floor area and at least six hundred cubic feet of space therein; whether such building contains a dining-room which is not a part of the barroom and the area in square feet of such dining-room, and whether it is provided with tables and has suitable table furniture and the number of guests for which it has accommodations at one and the same time; also whether such building contains a kitchen and conveniences for cooking therein sufficient to provide bona fide meals at one and the same time for ten or twenty guests as required by law. All reports and records mentioned in this subdivision and in subdivision two of this section shall be deemed public records and shall be subject to inspection by any citizen at any reasonable time.

Subdivision 2. If it shall appear by such report that the declared hotel building referred to in the application does not comply with the provisions of section thirty-one of the liquor tax law relating to hotels and hotel-keepers, the said special deputy commissioner of excise or county treasurer shall not issue a liquor tax certificate to any person proposing to carry on the traffic in liquor at such place in connection with the business of keeping a hotel, and the said special deputy commissioner of excise or county treasurer shall immediately notify the police commissioner or other chief police officer of such city or the president of such village, that a liquor tax certificate has been denied. A copy of such notice shall also be mailed to the said commissioner of excise. Every such officer upon receiving such notice, shall at once notify the owner and occupant of said building that the said building does not comply with the laws in relation to hotels; and before any liquor tax certificate shall be issued for such premises a statement must be made by the applicant that the business of keeping a hotel will not be carried on at said premises. Any taxpayer of a city or village who has reason to believe that any hotel building situate therein for which a liquor tax certificate has been issued upon an application statement by which it appears that the busi-

ness of keeping a hotel is to be carried on in connection with the traffic in liquors at such premises, does not comply with the provisions of section thirty-one of the liquor tax law relating to hotels and hotel-keepers, may at any time file a statement to this effect, stating his reasons therefor, with the state commissioner of excise. Upon receiving such statement said state commissioner of excise shall, forthwith, cause such hotel building to be inspected and shall file among his records a statement showing in detail the following facts with regard to such building; the number of bedrooms it contains above the basement exclusive of those occupied by the family and servants; whether each bedroom is properly furnished to accommodate lodgers, whether the bedrooms are separated by partition at least three inches thick extending from floor to ceiling, whether there is independent access to each bedroom by a door opening into a hallway and whether each bedroom has a window or windows with not less than eight square feet of surface opening upon a street or open court, light-shaft or open air, and whether each bedroom has at least eighty square feet of floor area and at least six hundred cubic feet of space therein; whether such building contains a dining-room which is not a part of the barroom and the area in square feet of such dining-room, and whether it is provided with tables and has suitable table furniture and the number of guests for which it has accommodations at one and the same time; also whether such building contains a kitchen and conveniences for cooking therein sufficient to provide bona fide meals at one and the same time for ten or twenty guests as required by law. If it appears from this statement that the said building does not comply with the provisions of section thirty-one of the liquor tax law relating to hotels and hotel-keepers, the state commissioner of excise shall forthwith commence proceedings under section twenty-eight of this act to revoke and cancel the liquor tax certificate issued for the said hotel building, upon the ground that at the time of such inspection the said hotel building did not comply with the provisions of section thirty-one of this act in relation to hotels and hotel-keepers, which shall be a sufficient ground for revoking and cancelling such certificate, unless in accordance with the demand of the state commissioner of excise said liquor tax certificate shall be immediately

surrendered to the officer who issued the same. If any liquor tax certificate shall be surrendered or revoked and cancelled as aforesaid, the special deputy commissioner of excise or county treasurer who issued the same shall notify the mayor of the city, the superintendent of buildings of the borough of the city, or the president of the village in which such declared hotel building is situate, and before any liquor tax certificate shall be issued for or transferred to such premises upon an application statement by which it appears that the business of keeping a hotel is to be carried on in connection with the traffic in liquors at such premises, the mayor of the city, the superintendent of buildings of the borough of the city, or the president of the village in which such declared hotel building is situate, shall file a new sworn statement as hereinbefore provided, to the effect that such premises have been made to comply with the provisions of section thirty-one of this act in relation to hotels and hotel-keepers.

Subdivision 3. Any person who shall be convicted of the crime of making material false statements in his application for a liquor tax certificate to traffic in liquor in connection with the business of keeping a hotel, or who shall falsely state in such application that the building where such hotel business is proposed to be carried on complies with all the provisions of this act as to hotels, and with all of the laws, ordinances, rules and regulations of the state and locality where such building is situated in relation to hotels and hotel-keepers, shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than five hundred dollars, or by imprisonment in a county jail or penitentiary for a term of not more than one year, or by both such fine and imprisonment and shall forfeit the liquor tax certificate or certificates held by him, and be deprived of all rights and privileges thereunder, and of any right to a rebate of any portion of the tax paid thereon and shall be held in custody upon temporary commitment until such certificate or certificates are surrendered to the court in which such conviction is had, by whom the same shall be transmitted to the special deputy commissioner of excise or county treasurer who issued the same.

Subdivision 4. Any person whether holding a liquor tax certificate or not, who shall place on or affix to any building, or adjacent thereto, or suffer or permit any sign, notice or advertisement stating or indicating that such building is a hotel or is conducted as a hotel, or who shall give notice or advertise in any manner that any building owned, occupied, or managed by or for the benefit of such person is a hotel or is conducted as a hotel, shall, if such building does not comply with all of the provisions of section thirty-one of this act applicable to hotels, and with the laws, ordinances, rules and regulations of the state and locality where such building is situated, in relation to hotels and hotel-keepers, be guilty of a misdemeanor, and upon conviction shall, if such person be the holder of a liquor tax certificate or certificates, forfeit the same, and be deprived of all rights and privileges thereunder, and of any right to a rebate of any portion of the tax paid thereon, and shall be held in custody upon temporary commitment until such certificate or certificates are surrendered to the court in which such conviction is had, by whom the same shall be transmitted to the special deputy commissioner of excise or county treasurer who issued the same. If the person so convicted is not the holder of a liquor tax certificate, such person shall be punished by a fine of not more than five hundred dollars, or by imprisonment in a county jail or penitentiary for a term of not more than one year, or by both such fine and imprisonment as is provided in this act.

Subdivision 5. All sheriffs, deputy sheriffs, police officers, constables, their assistants and helpers and all officers of any building department, their assistants and helpers, and all mayors and village presidents and all persons authorized by them, and all special agents and any assistants and helpers, authorized by the state commissioner of excise, may, on any days between the hours of nine o'clock ante meridian and six o'clock post meridian, or at any other time when the same is open, enter and inspect, survey, measure or map any building or premises conducted as a hotel, or claimed or advertised as a hotel, or where a liquor tax certificate has been applied for or obtained upon an application containing the statement that such building complies with the provisions of

this act relating to hotels, and with the laws, ordinances, rules and regulations of the state and locality where situated in relation to hotels and hotel-keepers. Any person who shall forbid, obstruct or prevent the officers named, or any one of their helpers or assistants, from free entry into any such building or premises for the purposes of this act shall be guilty of a misdemeanor, and may be forthwith arrested by such officers, helpers or assistants, or any police officer without a warrant, and upon conviction, if he be the holder of a liquor tax certificate or certificates shall forfeit the same, and be deprived of all rights and privileges thereunder, and of any right to a rebate of any portion of the tax paid thereon, and shall be held in custody upon temporary commitment until such certificate or certificates are surrendered to the court in which such conviction is had, by whom the same shall be transmitted to the special deputy commissioner of excise or county treasurer who issued the same. If the person so convicted is not the holder of a liquor tax certificate, such person shall be punished by a fine of not more than five hundred dollars, or by imprisonment in a county jail or penitentiary for a term of not more than one year, or by both such fine and imprisonment as is provided by this act.

Subdivision 6. Any mayor, village president, sheriff, deputy sheriff, police officer, constable, superintendent of buildings, or other officers of the building department, of any city, borough or village, commissioner of police, chief of police, superintendent of police, district attorney, assistant district attorney, special agent, special deputy commissioner of excise or county treasurer, who shall neglect or refuse to perform any duty devolving on him under and by virtue of section thirty-one-b of this act, or who shall make a false report thereunder, shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than one thousand dollars, or by imprisonment in a county jail or penitentiary for a term of not more than one year, or by both such fine and imprisonment as is provided in this act, and shall forfeit his office and all rights thereunder.

Thus amended, L. 1905, chap. 698; L. 1906, chap. 183.

§ 31c. *Search for seizure and forfeiture of liquors kept for unlawful traffic.*

Subdivision 1. Liquors kept, stored or deposited in any place in this state after July first, nineteen hundred and eight, for the purpose of sale or distribution therein in violation of the provisions of this act, and the vessels in which such liquors are contained, are declared to be a nuisance, and are forfeited to the state when seized, and such forfeiture declared in the manner provided in this section.

Subd. 2. Upon the verified complaint of a special agent, or of a peace officer or any citizen, setting forth facts which establish that liquors are kept, stored or deposited in any place in this state for the purpose of unlawful sale or distribution therein within this state, or that there is probable cause for believing that liquors are so kept, stored or deposited, any judge of any city court of record of the city, or any county judge of the county or justice of the supreme court in the judicial district where such liquors are so kept, stored or deposited, shall, if satisfied that there is probable cause to believe that liquors are so kept, stored or deposited, issue his warrant directed to any peace officer, or to a special agent upon his request, commanding him forthwith to search the premises described in said warrant for the liquors specified therein, and to seize such liquors, if found, and to safely keep such liquors until final action thereon, as in this section provided, and to make immediate return thereon to the judge or justice issuing the same. The complaint shall state the name of the person so keeping, storing or depositing such liquors as aforesaid, and the name of the owner of the premises where such liquors are so stored, kept or deposited, if known to the complainant, together with a description of such premises sufficient to identify the same. The warrant shall contain a notice directed generally to all persons claiming any right, title or interest in such liquors to appear before the judge or justice issuing such warrant, at a place and at a time therein specified, not more than twenty days after the issuance of said warrant and not less than ten days after the execution thereof, and show cause why such liquors should not be forfeited to the state. The warrant must be executed by the special agent or peace officer to whom it

is delivered within ten days after the issuance thereof, and such warrant may be executed at any time between the hours of six o'clock in the morning and six o'clock in the afternoon, or if the premises be open, at any other time. The peace officer or special agent executing such warrant is invested with all the powers conferred upon a peace officer in the execution of a search warrant by sections seven hundred and ninety-nine and eight hundred of the code of criminal procedure. Any person who shall forbid, obstruct or prevent any such peace officer or special agent or any accompanying helper or assistant, free entry into or search of any building or premises specified in such warrant, or the seizure of such liquors therein found, during the times above specified, after notice of the authority and purpose of such peace officer or special agent, shall be guilty of a misdemeanor and may be forthwith and without a warrant arrested by such peace officer or special agent. A copy of such warrant shall be delivered to the person so keeping such liquors, if he be present at the time of such seizure, and if he be not present, then to the person, if any, apparently in possession of such liquors or of the premises wherein the same are found, and another copy of such warrant shall be posted in a conspicuous place upon said premises. The special agent or peace officer seizing such liquors under said warrant shall give a receipt therefor to the person so keeping such liquors, if present, and if he be not present, then to the person, if any, apparently in possession of such liquors, or in charge of such premises, or in the absence of any such person, he must leave such receipt in the place where the liquors are found. At the time and place specified in the notice contained in such warrant, any person claiming any right, title or interest in the liquors seized under such warrant may interpose a verified answer controverting the allegations of the complaint upon which such warrant was issued. If such answer is interposed, the issue thus framed shall be deemed an action pending in the court of the judge or justice who issued the warrant, between the commissioner of excise of the state of New York and the liquor so seized and may be entitled in the name of the said state commissioner of excise and against the liquors so seized, adding for identification the name of the person or persons interposing such answer and claiming or defending the liquors so seized, and shall be tried in said

court as other issues of fact are tried therein, and shall be entitled to the preference provided by section seven hundred and ninety-one, subdivision one, of the code of civil procedure. If no verified answer controverting the allegations of the complaint is interposed, the judge or justice shall proceed to hear the testimony in support thereof. If it be established upon the hearing before said judge or justice or upon the trial of the action, if issue be joined, that the liquors so seized were kept, stored or deposited for the purpose of unlawful sale or distribution within this state, judgment of forfeiture of said liquors to the state shall be entered, which judgment shall provide for the public destruction of such liquors, and the vessels in which the same were contained, by or under the direction of the peace officer or special agent who seized the same, or by or under the direction of the state commissioner of excise; if the testimony produced on the hearing before said judge or justice, or upon such trial before the court, shall fail to establish that the liquors so seized were kept, stored or deposited for the purpose of unlawful sale or distribution within this state, judgment shall be entered dismissing such complaint and providing that such liquors and the vessels containing the same be returned to the place from which or to the person from whom they were taken. Upon the entry of such judgment, the judge or justice presiding at such hearing or upon such trial shall promptly report to the state commissioner of excise, in writing, the date of the issuing of such warrant, the name and residence of the complainant, the location of the premises searched, giving street and number, if any, the name of the officer or special agent to whom such warrant was delivered, and if liquors were seized, a description of the same and the final disposition thereof. The fees of any peace officer and the necessary expenses of any peace officer or special agent in the performance of his duties under this section shall be a charge on the town or city in which the premises searched are situated, and shall be audited and paid in the same manner as other town and city charges for similar services in criminal proceedings are audited and paid.

Subd. 3. Liquors seized as hereinbefore provided, and the vessels seized containing them, shall not be taken from the custody of the

peace officer or special agent making such seizure by a writ of replevin or other process, while the proceeding or trial is pending.

Subd. 4. The payment of a retail liquor dealer's or retail malt liquor dealer's special United States internal revenue tax for the place and covering the period in which such liquors are seized, or the maintenance or posting in any place where such liquors are seized, of a retail liquor dealer's or retail malt liquor dealer's special United States internal revenue tax stamp in force and effect at the time of such seizure, or the posting, keeping or maintaining of a notice or sign of any kind on or about the premises where such liquors are seized indicating that liquors are there sold, kept or given away at any place where traffic is prohibited under the provisions of section sixteen of this act, or any place for which a liquor tax certificate under section eleven of this act has not been issued, shall be prima facie evidence that the liquors so seized, as aforesaid, were kept, stored and deposited in violation of the provisions of this section. The keeping of liquors in any building, not used exclusively for a dwelling, in which traffic is prohibited under the provisions of section sixteen of this act, shall be prima facie evidence that the same are kept in violation of the provisions of this section.

Subd. 5. No person except one who answers claiming some right, title or interest in the liquor so seized, shall be excused from attending and testifying, or producing any books, papers or other documents before any court or judge or justice, upon any such hearing or trial, upon the ground or for the reason that the testimony or evidence, documentary or otherwise, required of him may tend to convict him of a crime or to subject him to a penalty or forfeiture; but no person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he may so testify or produce evidence, documentary or otherwise, and no testimony so given or produced shall be received against him upon any criminal investigation, trial or proceeding.

Added to law, * L. 1908, chap. 350.

* 1908 amendments are in italics.

§ 32. **Sales and pledges; when void.**—No recovery shall be had in any civil action, to recover the purchase price of any sale on credit of any liquor, to be drunk on the premises, where the same shall be sold. All securities given for such debt shall be void. Any person taking such security, with intent to evade this section, shall forfeit a penalty of fifty dollars for each offense. Each assignment, sale or pledge of articles or property exempt, by law, from execution, and every levy or sale of such articles or property by virtue of an execution by consent of the defendant therein, shall be void, where the consideration, or any part thereof, for which such assignment, sale or pledge was made, or for the debt on which judgment was rendered in any court and on which such execution was issued, was for the sale of liquors.

Thus amended, L. 1897, chap. 312.

§ 33. **Persons liable for violation of this act.**—Any person engaged in the traffic in liquors, whether as officer of a corporation, or association, or as a member of a copartnership, or an individual, shall upon conviction of a violation of any of the provisions of this act be liable for and suffer the penalties imposed therein; and any clerk, agent, employee or servant shall be equally liable as principals for any violation of the provisions of this act, and *except as hereinafter provided*, each violation of any of the provisions of this act shall be construed to constitute a separate and complete offense, and for each violation on the same day, or on different days, the person or persons offending shall be liable to the penalties and forfeitures imposed by this act; and in the following section providing for penalties and forfeitures when corporations or associations are referred to, and penalties and forfeitures are imposed thereon, the same shall be understood to mean and apply to the officers of such corporation or association. *All violations of the liquor tax law, committed by any person on the same day, shall together constitute but one crime, which shall be denominated the crime of "violating the liquor tax law," and it shall be competent to prove, on the trial or hearing, each separate violation committed on said date, provided each violation proved is set forth in the indictment, charge or complaint, in general or specific terms.*

Thus amended, * L. 1908, chap. 350.

* 1908 amendments are in italics.

§ 34. Penalties for violation of this act.—1. Any person trafficking in liquors, who is prohibited from so doing or who so traffics without having lawfully obtained a liquor tax certificate; or contrary to the provisions of section sixteen of this act; or who shall neglect or refuse to make application for a liquor tax certificate, or give the bond, or pay the tax imposed as required by this act, shall be guilty of a misdemeanor, and upon conviction therefor shall be punished by a fine of not less than two hundred dollars nor more than twelve hundred dollars, provided such fine shall equal at least the amount of one-half of the tax for one year, imposed by this act upon the kind of traffic in liquors carried on, where carried on, or which would be so imposed if such traffic were lawful, and shall also be imprisoned in a county jail or penitentiary for the term of *not less than thirty days* nor more than one year.

2. Any person, who shall make any false statement in the *application required to be presented to the county treasurer or other officer to obtain a liquor tax certificate, or to obtain a transfer thereof, or who shall violate any of the provisions of sections eleven, twenty-one, twenty-two, twenty-three, twenty-four, thirty or thirty-one, shall be guilty of a misdemeanor, and upon conviction therefor shall be punished by a fine of not more than five hundred dollars or by imprisonment in a county jail or penitentiary for a term of not more than one year, or by both such fine and imprisonment, and shall forfeit the liquor tax certificate, and be deprived of all rights and privileges thereunder, and of any right to a rebate of any portion of the tax paid thereon, and if the person convicted be a pharmacist holding a license issued by the board of pharmacy, the said board of pharmacy shall, in addition to said penalties, immediately revoke said license, and no liquor tax certificate shall be issued to any person to traffic in liquors at said store or place, under subdivision three of section eleven of this act for the term of one year from the date of said conviction; but this clause does not apply to violations of section thirty-one of this act by a person not holding a liquor tax certificate, the punishment for which is provided in the first clause of this section.

* So in original.

3. If there shall be two convictions of clerks, agents, employees, or servants of a holder of a liquor tax certificate, for a violation of any provision of this act, the liquor tax certificate of the principal shall be forfeited, and the said principal shall be deprived of all rights and privileges thereunder, and of any right to any rebate of any portion of the tax paid thereon.

4. 5. Any wilful violation by any person of any provision of this act, for which no punishment or penalty is otherwise provided, shall be a misdemeanor.

6. Whenever any fine is imposed upon conviction for violation of any provision of the liquor tax law, the judgment in such case must provide that the person thus fined be imprisoned until the fine is satisfied, which imprisonment cannot exceed one day for every dollar of the fine, nor be less than one day for every five dollars of the fine.

7. If the holder of any liquor tax certificate shall be convicted of keeping a disorderly house, in violation of section three hundred and twenty-two of the penal code, or in violation of any municipal ordinance prescribing the same or any similar offense, or be convicted of any offense prescribed in chapter eight or nine of title ten of the penal code, or be convicted of the same or any similar offense prescribed in any municipal ordinance, or be convicted of any felony whatsoever, said certificate holder shall forfeit any and every liquor tax certificate held by him at the time of such conviction, and be deprived of all rights and privileges thereunder. If any clerk, agent, employee or servant of a holder of a liquor tax certificate shall commit any of such offenses at a place for which a liquor tax certificate has been issued, and be convicted thereof, the holder of such liquor tax certificate shall forfeit the same, and be deprived of all rights and privileges thereunder.

or under his control, to immediately surrender such certificate to the officer who issued the same or to his successor in office, who shall forward the same to the state commissioner of excise for cancellation. In case such certificate be not forthwith surrendered, it shall be the duty of the officer who issued the said certificate or his successor in office, immediately upon receiving notice of the forfeiture of any certificate, as provided in this section, or upon the request of the state commissioner of excise, to sign duplicate written demands for the surrender of said certificate,* setting forth the conviction or convictions causing such forfeiture, and to deliver said demands to the sheriff of the county in which the premises designated in said certificate are located, or to any special agent of the state commissioner of excise, together with a certified copy of the record of each conviction referred to in such demands, and it shall be the duty of said sheriff or special agent, immediately upon the receipt of said duplicate demands and such record or records of conviction, to serve one of such demands, together with such record or records of conviction, upon the holder of said certificate, or upon any other person having such certificate in his possession or under his control, and to take possession of such certificate and to return the duplicate of said demand, with proof of the service thereof and of such record or records of conviction, together with said certificate, to said issuing officer. The sheriff making such service shall be entitled to the same fees therefor as for serving a summons in an action in the supreme court, which fees, and any other fees to which said sheriff would be by law entitled to receive from the state commissioner of excise, shall be legal charges against the county in which the office of the said sheriff is situated, and shall be audited and paid as are other lawful claims.

lation of section three hundred and twenty-two of the penal code, or in violation of any municipal ordinance prescribing the same or any similar offense, and upon conviction of any such person for any offense prescribed in chapter eight or nine of title ten of the penal code, or for the same or any similar offense prescribed in any municipal ordinance, and upon conviction of any such person for any felony whatsoever, the court or officer before whom such conviction shall have been had, or the clerk of the court if there be a clerk, shall forthwith make and file in the office of the clerk of the county in which such conviction shall have been had a certified statement of such conviction and the sentence, if any, to be reported to the state commissioner of excise by said county clerk, as hereinafter provided in the case of convictions for violations of this act. Upon conviction of any person whether as officer of a corporation or as member of a copartnership or as an individual, for a violation of the provisions of this act, the penalty for which is prescribed in sections twenty-eight, twenty-nine or thirty-four hereof, the court or officer before whom such conviction shall have been had, or the clerk of the court if there be a clerk, shall forthwith make and file in the office of the clerk of the county in which such conviction shall have been had a certified statement of such conviction and the sentence, if any; and the clerk of said county shall immediately thereupon enter in the docket book, kept by said clerk for the docketing of judgments in said office, the amount of the penalty or fine imposed, as a judgment against the person so convicted or sentenced, and in favor of the state commissioner of excise, and said county clerk shall also enter in the docket of said judgment a brief statement setting forth the fact that said judgment is for a fine or penalty imposed for a violation of the "liquor tax law," and said county clerk shall immediately mail or deliver to the state commissioner of excise a duly certified transcript of said judgment. If the fine imposed be paid into court or to any officer, the said officer or clerk of the court shall at once pay the same to the county treasurer or special deputy commissioner of the county or borough, who shall give his receipt therefor, and shall at once notify the state commissioner of excise of the payment of such judgment, who shall thereupon execute a satisfaction thereof and forward the same to the said county treasurer or

special deputy commissioner, to be delivered to the judgment debtor. If said judgment shall not be paid within five days after such conviction and sentence, the clerk of said county shall issue an execution against the property of such judgment debtor or debtors, against whom said judgment is docketed, directed to the sheriff of the county, and at once deliver the said execution to the said sheriff, who shall forthwith proceed to collect the amount due on said judgment, together with his legal fees and costs, by levy and sale, in the manner now provided by law for the collection of executions against property, of any goods, chattels, furniture, fixtures and leasehold interest, or other property of such judgment debtor or debtors, wherever found. Such levy shall take precedence over any and all liens, mortgages, conveyances or incumbrances taken or had on such property, subsequent to the docketing of said judgment in said clerk's office, and no property of said judgment debtor or debtors shall be exempt from such levy and sale. All moneys collected upon execution under the provisions of this section shall be paid by the officer collecting the same, less his legal fees and costs thereon, to such county treasurer or special deputy commissioner who shall apportion and account for the same as provided by this act. In case such judgment debtor or debtors shall have given the bond provided for in section eighteen of this act, the state commissioner of excise may forthwith proceed to collect from the sureties thereon the amount of such judgment, together with the costs of collection, by due process of law, and the issuing of an execution under the provisions of this act shall not be a condition precedent to the enforcement of the provisions and penalties of any bond given by such judgment debtor or debtors pursuant to the provisions of this act. At the end of each month every county clerk shall make under his hand and official seal and forward to the state commissioner of excise a written report of all orders or judgments filed or entered in his office during such month in favor of or against the state commissioner of excise, and also a report of all orders or judgments entered in said office in favor of or against any person illegally trafficking in liquor or the holder of a liquor tax certificate in any proceeding or action instituted or brought for the purpose of compelling the surrender and cancellation of a liquor tax certificate, or in favor of or against

any county treasurer or special deputy commissioner on account of his having issued or transferred or refused to issue or transfer any liquor tax certificate. Such report shall contain the title of the action or proceeding in which each of said orders or judgments was obtained, the date of each order or judgment, also when filed and entered; and also the substance or purport of such order or judgment; also all indictments for violations of the liquor tax law and all judgments of convictions thereon. Such report shall state the date when each indictment was found, the name of the defendant, the time and place when and where the crime was committed, and the particular offense charged; and in case of a conviction shall state the name of the defendant, the date of the conviction and the judgment pronounced thereon, and if the fine imposed shall have been paid in court a statement of that fact. All sealed indictments shall be included in the first report made by such county clerk after the defendant therein shall have been arrested or admitted to bail. Said county clerk shall also furnish a complete certified copy of any such order, indictment, judgment or record upon the request of the state commissioner of excise. The fees or compensation of such clerk for making such report and for making and furnishing a certified copy of any such order, judgment, indictment or record, at the request of the state commissioner of excise, and any other fees which said clerk *or the sheriff of any county* would be by law entitled to receive from the state commissioner of excise shall be *legal charges* against the county in which the office of the said clerk *or sheriff* is situated, and shall be audited and paid as are other lawful claims.

Thus amended, L. 1897, chap. 312; L. 1903, chap. 486; L. 1905, chap. 680; and * L. 1908, chap. 350.

and it shall be the duty of such district attorney when complaint on oath is made of such violation, forthwith to cause the arrest and attend the examination personally or by an assistant, of each person so complained of, unless a term of court with a grand jury in attendance shall be appointed to be held in such county within ten days from the time of the receipt by the district attorney of such verified complaint, or unless such accused persons shall have been examined upon such charge and admitted to bail or committed thereon. It shall be the duty of the district attorney to prepare and present to the grand jury of the county all evidence tending to show a violation in each case within his knowledge, or reported to him pursuant to the provisions of this section, or reported to him by the verified complaint of any reputable citizen, except that said district attorney shall prosecute such violations as are specified in subdivision two of section thirty-five in the court of special sessions having jurisdiction thereof and the said district attorney shall prosecute any person violating any of the provisions of this act and for each and every violation thereof. Within five days after the discharge of any grand jury, the district attorney shall file in the office of the clerk of the county a certified statement giving the name and residence of each person charged with a violation of the liquor tax law, which charge shall have been investigated and dismissed by such grand jury, and also giving the name and residence of each witness examined in the investigation of each such charge. All officers authorized to make arrests in any city, town or village, and the special agents appointed under section ten of this act may in the performance of their duties enter upon any premises where the traffic in liquors is carried on or liquors are exposed for sale at any time when such premises are open, except that places occupied by membership corporations incorporated prior to the twenty-third day of March, eighteen hundred and ninety-six, which traffic in liquors solely with the members thereof shall not be entered for inspection by any officer unless such entry and inspection is expressly authorized and directed by the state commissioner of excise by written instructions.

Thus amended, L. 1897, chap. 312; L. 1900, chap. 367; and L. 1903, chap. 486.

§ 38. **Penalties for neglect of public officers to perform their duty under this act.** — Any officer who shall neglect or refuse to perform his duty under the provisions of this act, shall be liable to a penalty of five hundred dollars for each and every offense, and if such officer be a county treasurer or district attorney, he shall be removed from office by the governor after hearing and determination thereon and decision that such neglect or refusal has occurred. Any citizen may prefer charges to the governor under this section.

§ 39. **Recovery of damages in a civil action.**—A recovery may be had in a civil action of the damages suffered by reason of the intoxication of any person, from any corporation, association, copartnership or person who shall by selling or giving away liquors have caused such intoxication, if the person or one of the persons suffering such damage shall, previous to such selling or giving away, have given written notice to such corporation, association, copartnership or person, or to their agents or employees or to the person so selling or giving away, forbidding such selling or giving away liquors to the person whose intoxication shall have caused such damage; or such damage may be recovered from any corporation, association, copartnership or person owning or renting or permitting the occupation of any building or premises where such selling or giving away of liquors shall have occurred, jointly with the corporation, association, copartnership or person selling or giving away, or severally when the notice herein provided for shall have been given to such owners or their authorized agents, and not otherwise.

§ 40. **Intoxication in a public place.**—Any person intoxicated in a public place is guilty of a misdemeanor, and may be arrested without warrant while so intoxicated, and shall be punished by a fine of not less than three nor more than ten dollars, or by imprisonment not exceeding six months or by both such fine and imprisonment. The purchase or procurement of liquor for any person to whom it is forbidden to sell liquor under section thirty of this act, is a misdemeanor, punishable upon conviction, by a fine of not less than ten dollars or by imprisonment not exceeding six months, or by both such fine and imprisonment.

Thus amended, L. 1897, chap. 312.

§ 41. **Employment of persons addicted to intoxication by common carriers.**—Any person or officer of an association or corporation engaged in the business of conveying passengers or property for hire, who shall employ in the conduct of such business, as an engineer, fireman, conductor, switch-tender, train dispatcher, telegrapher, commander, pilot, mate, fireman or in other like capacity, so that by his neglect of duty the safety and security of life, person or property so conveyed might be imperiled, any person who habitually indulges in the intemperate use of liquors, after notice that such person has been intoxicated, while in the active service of such person, association or corporation, shall be guilty of a misdemeanor.

§ 42. **Penalties; actions to recover.**—Any corporation, association, copartnership or person who shall traffic in liquor contrary to the provisions of the liquor tax law, or who shall make a false statement upon application for a liquor tax certificate, or upon application for the transfer or surrender and cancellation thereof, or who shall violate any of the provisions of sections eleven, thirteen, twenty-one, twenty-two, twenty-three, twenty-four, twenty-five, twenty-six, twenty-seven, twenty-eight, twenty-nine, thirty, thirty-one, thirty-two, thirty-five, thirty-six, or thirty-seven of said law, in addition to the punishment and penalties in this act otherwise imposed and provided, shall be liable to a penalty of fifty dollars for each and every violation, to be recovered by the state commissioner of excise in an action brought in his name as such commissioner, in any court of record in any county of the state, provided that two or more penalties may be sued for and recovered in the same action; and if such corporation, association, copartnership or person be the holder of a liquor tax certificate, such certificate shall be forfeited. When an action is brought in any county other than the county wherein the defendant resides, or in an adjoining county, the place of trial of such action may be changed to any county adjoining the county wherein the defendant resides, for cause shown as provided by the code of civil procedure. If judgment be recovered against the holder of a liquor tax certificate in any action for penalties, such judgment shall provide, in addition to the penalties included therein, that such certificate and

all rights thereunder of the holder thereof, including all rebate moneys upon cancellation, be forfeited, and that the defendant, or any person having such certificate in his possession or under his control, shall surrender said certificate to the officer who issued the same, or to his successor in office, immediately upon the service of a certified copy of said judgment; and neglect or refusal of any person to surrender said certificate in pursuance of the provisions of any such judgment shall be a contempt of court, punishable in the manner provided by the code of civil procedure. All moneys recovered in any such action or actions shall be paid over and accounted for in the same manner as are moneys collected under subdivision four of section eleven of this act. The state commissioner of excise may also in like manner bring an action in his name as such commissioner to recover the penalty provided for by section thirty-eight of this act and the provisions of this section shall apply to the commencement and prosecution of such action and the disposition of all moneys recovered as penalties therein.

Thus amended, L. 1897, chap. 312.

§ 43. Distribution of copies of this act by the secretary of state.—Immediately upon this act becoming a law the secretary of state shall cause twenty thousand copies thereof to be printed, of which five thousand shall be printed in the German language and shall transmit as soon as possible to the county treasurers and to the special deputy commissioners such number as may in his judgment be proper for the use of such treasurers and commissioners, and for distribution by them to persons trafficking in liquors and others.

§ 44. Laws, grants and charters repealed; saving clause.—The provisions of any special or local law, grant or charter in conflict with this act are hereby repealed and annulled. Of the laws enumerated in the schedule hereto annexed, that portion specified in the last column is repealed, but the provisions of any such relating to the transfer, cancellation or revocation of a license, the collection of penalties or prosecutions for the violation of the law shall continue in force as to any license, which has not expired at

the time this act takes effect, until the expiration thereof, subject to the provisions of this act, in relation to the performance of the duties of boards of excise or excise commissioners by special deputies or special agents designated by the state commissioner of excise. The repeal of any law by this act shall not revive a law repealed thereby, but such repeal shall not impair any act done or right accruing, accrued or acquired, or liability, penalty, forfeiture or punishment incurred prior to the time this act takes effect, under or by virtue of any law so repealed, and the same may be asserted, enforced, prosecuted or inflicted as fully and to the same extent as if such law had not been repealed. All actions and proceedings, civil or criminal, commenced under or by virtue of a law so repealed and pending immediately prior to the taking effect of this act, may be prosecuted and defended to final effect in the same manner as they might have been under the laws then existing, subject to the provisions of this act authorizing special deputy commissioners or special agents designated by the state commissioner of excise to perform the duties of boards of excise.

§ 45. **When to take effect.**—This act shall take effect immediately.
